

## United Way brochure donation reminder

Area residents are reminded to look for the United Way of Halton Hills direct mail brochure before they recycle their Wednesday (September 24) edition of *The Independent & Free Press*.

The brochure, which includes a donation form, was included in the newspaper.

All residents have to do is make their donation, fold back the pledge form, tape it shut and mail it in.

The United Way is hoping to raise \$300,000 this year and encourages residents who make a donation at their out-of-town workplace to ensure they designate it back to the United Way of Halton Hills.

## In memory of Alex

After two years of fund-raising, Harrison Public School playground committee officially opened the new playground equipment at the school's annual welcome back barbecue. On hand for the ribbon-cutting were, from left, Harrison principal Mark Zonneveld, Halton Board of Education chair Ethel Gardner, Halton Hills Mayor Kathy Gastle, and Harrison playground committee co-ordinator Debbie Moffatt. The playground was dedicated to the memory of Alex Bonehill, who died in a auto accident earlier this year.

## Guide to the Outdoors

Julie Pomeroy

We set out for a one hour hike. It's a figure 8 loop through the Speyside Forest. We start and end on the 15th Side road. I've got a map but it's from an old Bruce Trail Guide. That's it. What else could we need? It's just an hour. Right? Guess what? We get lost. Not seriously this time but it sure made us think. It's embarrassing when I have a whole store full of equipment. Anytime you go in to an unknown area. BE PREPARED. Take a map, a compass, drinking water, a watch, cell phone, first aid kit, a hat, bug spray and a whistle. We have a great selection, FREE day tripping checklists and we have a sale on hiking boots right now. This was a nice hike by the way; logging road, field, sumac canopies, woods, mossy rocks, different kinds of ferns, natural rock pathways. Bruce Trail Guide. Map 12.
