

The Regional Municipality of Halton
A Partnership That Works!

NOTICE OF PUBLIC MEETING
TRANSPORTATION MASTER PLAN STUDY

The Region of Halton has initiated a Transportation Master Plan Study to develop a dynamic integrated transportation strategy that considers all modes of travel. This study will provide Halton Region with the strategies, policies and tools needed to manage traffic safely, effectively, and cost efficiently and to offer a range of transportation choices to meet the needs of Halton residents. Ultimately, the Halton Transportation Master Plan Study will result in a more liveable community that supports the mobility needs of residents, businesses and visitors in both the rural and urban areas of the Region. This study is being conducted in accordance with the requirements of Phases 1 and 2 of the *Municipal Class Environmental Assessment* (June 2000), which is an approved process under the Ontario Environmental Assessment Act. The study will define transportation opportunities, identify and evaluate alternative solutions (including alternative travel modes) and identify an overall transportation network to serve Halton Region for the next 20 years.

The first of three rounds of Public Information Centres (PICs) was held in June 2003 in each of the Region's local municipalities at which time input was received from the public on the Transportation Vision, the master plan process and evaluation criteria.

The study team is currently conducting a review of alternative transportation solutions including transit and roadway alternatives for the Regional road network and will be presenting the preliminary evaluation results at the second round of Public Information Centres (PICs), which will be held in each of Halton Region's local municipalities at the following locations and dates:

| Municipality | Date | Time | Location |
|----------------------|--------------------|------------------------|--|
| Town of Halton Hills | September 30, 2003 | 6:00 p.m. to 9:00 p.m. | Town of Halton Hills, Council Chambers 1 Halton Hills Drive |
| City of Burlington | October 9, 2003 | 6:00 p.m. to 9:00 p.m. | Travel Lodge Burlington on the Lake - Nelson Room, 2020 Lakeshore Road |
| Town of Oakville | October 15, 2003 | 6:00 p.m. to 9:00 p.m. | Region of Halton - Cafeteria 1151 Bronte Road |
| Town of Milton | October 16, 2003 | 6:00 p.m. to 9:00 p.m. | Bishop Reding Catholic Secondary School - Cafeteria 1600 Main Street East |

A presentation will take place at 7:00 p.m., followed by a workshop. Local staff will be present to discuss the status of transportation studies and initiatives currently being undertaken by the local municipalities. If you have any questions related to the study or wish to be added to the study mailing list, please contact:

Halton Region Celebrates Introduction of Infrastructure Services in Halton Hills and Milton

This year we will be commencing the delivery of water and wastewater services along the 401 Corridor of Milton and Halton Hills. New services will be provided to Halton Hills and 4.4 km of additional watermain will be constructed westerly along the James Snow Parkway to accommodate the Milton Business Park. As a result of this construction, more than 500 acres of

employment lands will be opened up for development. Thanks to the ongoing partnership between the Region and the Municipalities and the support of Halton Regional Council, local landowners and businesses this initiative will facilitate additional investment opportunities in the 401 Corridor area.

Joyce Savoline
Chairman

P. Murphy
Commissioner
Planning & Public Works

Halton Regional Meeting Schedule:

- September 30 - 9:30 a.m. Health and Social Services Committee
- October 1 - 9:30 a.m. Planning and Public Works Committee

Georgetown Legion Ladies ready for 75th anniversary

Welcome back everyone. Hope everyone enjoyed a safe and happy summer.

The Ladies Auxiliary sports program began on Sept. 6 with six teams traveling to Brampton to play euchre to qualify for the District competition in Port Dover in October. I am happy to report that Georgetown finished first and fourth. Congratulations to Gerda Stefan's team, who were the overall winners, and also to Marlene Haskins' team finishing fourth. Two teams went to zone darts in Port Credit on Sept. 20 and Georgetown won that event also. Congrats to Sheila Hicks, Marion McGugan, Nellie Bell and Barb Reid.

What a great start to the sports year! If you wish to play sports you must attend a minimum of three meetings per year. If you cannot attend because of your job, then you are expected to help out in the kitchen, at banquets or making sandwiches or desserts for funeral lunches.

Our 75th anniversary celebration is on Oct. 4 at Holy Cross Hall. This event has been sold out for

several weeks. Dinner is at 8 p.m. sharp. Please note, parking will not be available until 7 p.m.

November will soon be here and that is time for the Ladies Auxiliary Annual Bazaar. This year it will be on Nov. 15, upstairs (elevator access) from 10 a.m. to 2 p.m.

Now we have the elevator, we look forward to seeing some of our members who had problems with the stairs. Comrade Ev Metler is our bazaar convener, so if you have any questions, she is the lady you would contact.

Sincere sympathy is extended to the friends and family of our late Comrade Dolly Carter, a member of our auxiliary for many years.

Rita Rayner is in Huronia District Hospital in Midland and we wish her a speedy recovery and hope to see her back in Georgetown soon. A cheery 'hello' to Jean Roshier and our shut-in Dot Day- just to let you know we are thinking about you.

Our next meeting is on Oct. 16 at 8 p.m. See your there.

-By Ann Felker
