

Georgetown bookkeeper charged after nursing home, patient defrauded

A Georgetown bookkeeper at a Brampton nursing home has been charged with defrauding the home and an elderly resident she befriended of a substantial amount of money.

A 90-year-old woman at Tullamore Nursing Home on Kennedy Road S. signed blank cheques, which were cashed for a substantial amount of money between October 2002 and last March, according to Peel Police.

Some nursing home cheques were also deposited into a private bank account, according to police.

Peel police Fraud Bureau investigators arrested the woman Wednesday.

Johnson Associates was also entered through the wall in First Choice's storage room. Nothing was taken but damage to the wall is estimated at \$1,000.

Police report someone also attempted to enter Shoppers Drug Mart in the plaza through the roof, but was unsuccessful, so blocks from the roof were thrown down to

the ground and used to try to break the knob on the rear door. That attempt was also unsuccessful.

A Mississauga man was charged with impaired driving and having over 80 mg of alcohol in 100 ml of blood after police stopped a vehicle on Guelph St. Saturday evening.

PLAN YOUR ESCAPE

If you plan to use a window as a second way out in a fire, make sure it can be opened easily!

Drinking and Driving Can Distort Life.

Drink and drive, and your life may never be the same again. You not only risk your life when you drink and drive, you also risk losing your license, incurring expensive fines, doing time in jail or even causing injury or death to an innocent bystander. With all these consequences facing you, driving under the influence is the worst decision you can make. Don't take chances with drinking and driving; there's always a better alternative.
