## Georgetown Seniors ready for Christmas bazaar

We are now settling into our regular activities at the Georgetown Seniors Centre. Most of our paid classes are full and going well, but if a particular class interests you, be it exercise, t'ai chi, cards, etc., drop in to the centre. There may be an opening.

The annual Christmas bazaar will be held on Saturday, Nov. 1, 10 a.m. to 3 p.m. at the centre. Craft items, penny sale, country kitchen, children's table and draws are there for you. Come and browse. A lunch and refreshments are also available.

Tuesday, Oct. 28, 10 a.m. to 2 p.m. is CNIB information day. A display of technical aids, a talking book exchange and an opportunity to speak with a vision worker are available. Plan to attend this day at the Georgetown Seniors Centre. The public is welcome.

At 7 p.m. on Oct. 28, bid euchre begins — open to all.

A special art show and sale featuring the work of seniors will be held at the centre on Saturday, Nov. 8, 10 a.m. to 4 p.m. You'll be surprised at the talent on display. Light refreshments are available.

On Monday, Nov. 10, 2 p.m. you are invited to attend a meeting of the Seniors Camera Club. A short slide show will be presented by a member of the Mississauga Camera Club.

Several great trips are on display at our Travel Desk. Drop in to the centre on Tuesday or Thursday and check with our travel man, Grant Greenaway. The Casino Rama bus heads out again on Monday. Cost is \$5.

Until next time—cheerio.

Did you ever think that you could buy a Sierra Designs Jacket for \$100! The men's Silo Jacket is windproof, water resistant and highly durable. Made of Strata fabric, 100% nylon, and HeatSync insulation to provide a protective barrier against the elements keeping you warm and dry. Just tell us you have seen this ad to qualify for this amazing price! We are also offering the Women's Proto and Solar Jackets by Sierra Designs for \$100. This weekend only. Offer ends Oct. 27. Did you know that Halloween is actually based on an ancient Celtic holiday called Samhain (pronounced "sow wan"). Samhain was the God of Death. On the last day of October, Samhain allowed the souls of the dead to visit the homes they once lived in. Very scary! Happy Halloween!

## Residents Make Yard Waste Program a Success

Thank you! ...to Halton residents for making the switch to a more environmentally-friendly yard waste program by eliminating the use of plastic yard waste bags. Yard waste is now collected in open reusable containers or paper yard waste bags, which means no plastic waste, and better quality compost at our twice-annual give-aways.

**Bagging tip:** Try mulching leaves with your lawnmower to make paper yard waste bags go further.

**Halloween reminder:** Yard waste in decorative Halloween plastic bags will not be collected.
