

Cool or Clueless?

Is there really any question?

There's no doubt about it: smoking pollutes your body and takes years off your life. Cigarettes are very addictive, very expensive and very unpleasant for those around you. If you do smoke and have thought about quitting, prove to yourself you can do it. It takes a lot of hard work and dedication, but you can live smoke-free if you try.

A spokesperson for Halton Police says they are investigating.

You can lose a lot more than your licence drinking and driving.
