### Halloween hijinx

Downtown Acton and Georgetown were besieged by trick and treaters last Saturday. (Above) Acton BIA hosted a haunted house where Madame Pomfrey (Josey Bonnette) administered a cure to Harry Potter (Joanne Haughie). (Left) A variety of costumed characters, including bunny Clare Dean, 21 months went from store to store in downtown Georgetown as part of the downtown BIA's trick or treat day.

## A chance to soar!

Every child deserves the chance to soar to great heights with opportunities for the future. But with the challenges in education today, are they really getting a good chance?

At Oxford Learning, children are offered individual programs that address their needs in academics, learning styles and self-esteem. It is a system that offers them independence, for now and for the future.
