Just arrived. The new Tilley Country Cap. Guaranteed for life not to wear out. Warm, cozy interior with "sueded" lining. The wool outer shell is coated with Teflon for water repellency. Comes in black or camel. \$65 Both the Tilley Winter Hat and the Country Cap come with tuck-away ear flaps. Great for winter BBQ'ing!.. Check out Tilley's new boxer briefs for men as well. Good for sports because they are made with an enhanced form of polyester which is much better than cotton for wicking moisture away. \$22. Halloween tonight. Keep those disembodied spirits out! Extinguish the fires in your home to make it cold and undesirable. Dress up in a ghoulish costume. Be frightening!!

The flu shot. It's free. Now, it's easier.

This year, many employers are offering workplace clinics to make it easier for you to get your free flu shot. As well, many local pharmacies are holding clinics so you can get the shot when you shop. We have all seen how serious infectious diseases can be. Getting your free flu shot is a good way to protect yourself, protect your family and protect the people you work with. You can also see your doctor or call for a clinic near you.
