## Early poll turnouts high

In keeping with the trend set Saturday, voter turnout for the advance poll on Wednesday was significantly higher— more than double— than it was in the 2000 municipal election.

Town clerk Karen Landry said turnout at the final advance poll was 913 electors compared to an estimated 427 in the 2000 election. In total, 1,859 people cast their votes early this year (at two advance polls) compared to 935 in 2000.

Advance polls were held at four different locations in town. Polls are open on election day (Monday) from 10 a.m. to 8 p.m.

## Candidate supported keeping arena

Incorrect information was included in *The Independent & Free Press'* November 5 editorial.

Current Ward 1/2 regional councillor and mayoral candidate Rick Bonnette voted against demolition of the old Acton Arena.

*The Independent & Free Press* regrets the error.

## Region honoured

Halton Region's business development centre captured the prestigious Ontario Chamber of Commerce 2003 Community Export Development Award.

The award, sponsored by Ontario Exports Inc., recognizes a community organization that has successfully created an environment that fosters business and export development.

This award is particularly meaningful, considering that Halton has only offered its export development program for two years.

"It's an honour for Halton Region to be recognized this way," said Halton Chair Joyce Savoline.
