

### National commendation for Willow Park

Willow Park Ecology Centre received a Special Mention Award for Environmental Awareness from the Communities in Bloom 2003 at the National Level for communities with a population between 20,001 and 50,000. The park was recognized because it is a collaborative made up of numerous community groups which are working to revitalize a former trailer park along the flood plain in Norval. Committee members who accepted the award included (from left) Elizabeth Rose, Gloria Hildebrandt, Tunde Otto-Harris, chair of the Steering Committee, Brian Thomas, Mayor Kathy Gastle, Ruth Kuchinad, Willow Park co-ordinator and Carolyn Martin.
