Clean up day volunteers collect nearly 13 tonnes of garbage

Continued from pg. 1

"It's rather disgusting to see how some of the citizenry behave but rather than just be angry and live with the consequences, the good citizens of Halton Hills donned their rubber boots, gloves, took up a plastic bag, bent over and picked that stuff up," Fogal said, who signed off on community service hours for many high school students.

The next clean up days are scheduled for Saturday, July 24 and Saturday, Oct. 2.

Next up for the Litter Free Task Force is a 'Don't be a litter bug, stash your trash' sticker campaign on retail windows to make the litter-free message more visible. Anyone interested in volunteering with the Task Force should contact Fogal at 905-877-5806.

Fire damage \$10,000

Halton Hills firefighters were called to a house fire that resulted in \$10,000 damage to a Moore Park Cr. home.

Arriving crews found a house full of smoke and a fire in the wall surrounding the fireplace. Firefighters extinguished the blaze and removed ceiling tiles and brickwork from around the fireplace to see if the fire had spread.

The homeowner had been burning wood from an old fence in the fireplace and firefighters believe the fire was a result of the high heat generated from burning the fence, and exposure of a wood stud adjacent to the heat box of the fireplace.
