

### Nature walkway unveiled

Following the unveiling of a newly-erected sign in Gellert Community Park, POWER (Protect Our Water and Environmental Resources) president Pat McCarthy and Halton Hills Mayor Rick Bonnette were joined by St. Brigid's Grade 5 students (from left) Mathew Berlingieri, Stefan Hadad, Mallory Mosher and Courtney Quinn as they officially opened the park and walkway that circles the park. Town residents can enjoy many of the native species of birds which are attracted to the trees and plants in the area that have been planted by volunteers.
