

Silver Creek P.S. opens

As part of the official opening ceremonies at Silver Creek Public School last week, vice-principal Brian Van Wyngaarden accepted a time capsule from Grade 6 students Kate Turner and Kevin Determann, as the students filled it with memorabilia from the first year at the school.

Touring bikes stolen from garages

Halton Police report two \$500 Fisher Capitola touring bicycles were taken from two unlocked Georgetown garages—one on Early St. the other on Samuel Cr.—late Saturday or early Sunday. A second bike was also taken from the Early St. home but it was found nearby.

Four Michelin tires and rims valued at \$1,500 were taken from a 2000 Acura at an Atwood Ave. home late Thursday or early

Friday. The car was left jacked-up in the driveway.

Friends of the Old Seed House Garden reported to police that some time between Wednesday and Saturday someone removed several large rocks from a pathway and retaining wall at the Old Seed House Garden on Maple Ave. and tossed them into a nearby pond. The labour cost to remove the rocks from the pond was \$500.
