**Georgetown Seniors Centre holds successful event**

A busy week at the Georgetown Senior Centre began with the Pancake Breakfast on April 24. A sunny, but cool day, brought out lots of people to savor the pancakes and maple syrup. I wonder if anyone kept track of the number of pancakes served.

On Monday, April 26, over 100 ladies were presented with spring fashions from Tan Jay and Alia. I understand that most of the clothes modeled by members of the centre, were purchased that day. Now if the weather just gets a little warmer we will see these ladies sporting their new duds. As well, each attendee was given a \$20 gift certificate.

Another successful Yard Sale was held on Saturday, May 1. As you entered the centre, your nose was hit with the wonderful smell of peameal bacon on a bun. They sure know how to get you to eat and buy.

These three successful events were the result of lots of planning and hard work

on everyone's part. Congratulations to all those who have of their time and effort. Along with that, goes a huge thank you to all those people who came out. Without your support, these fund-raisers would not have been a success.

For the first time ever, the Georgetown Seniors will take a bus tour to visit the Vision from the Gardens show site at the Niagara Parks School of Horticulture in Niagara Falls. There will be speakers,

demonstrations, and 100 vendors with a varied selection of garden "must have" items. Bus leaves Saturday, June 12 at 8:30 a.m. For more information, you can pick up a flyer at the Travel Desk or speak to a Grant.

Get involved, make new friends, and share in the good times at the Georgetown Seniors Centre.

**Literacy North Halton seeks board members**

A local non-profit group is inviting people to take up the fight to eliminate low adult literacy in Halton Hills.

Literacy North Halton is currently recruiting individuals to serve on its board of directors. The group is particularly interested in hearing from people with knowledge of or experience working with non-profit organizations.

By committing to just six hours a month, you can discover the rewards of serving on a vibrant non-profit board of directors.

For more information please call 905-873-2200.

Literacy North Halton has been serving Georgetown, Acton and Milton for more than 17 years.

**GRAND OPENING**

**SATURDAY, MAY 15, 2004**

*A Partnership That Works!*

**Halton**  
*A World Class Place To Be.*

**Notice of Pesticide Use**

Beginning the week of May 10th and continuing throughout the summer, the Halton Region Health Department will larvicide standing water on public lands under the direction of the Medical Officer of Health, Dr. Bob Nosal.

Monitoring of standing water has indicated that mosquito larvae are present. Larvicide will be applied by a licensed applicator contracted by the Region.

Larvicide will be used to control mosquito larvae in order to reduce the incidence of West Nile virus in Halton.

A granular formula of the larvicide Bti (Bacillus thuringiensis israelensis), Aquabac 200G, registration number 26863, will be placed in affected standing water on public lands in urban areas in Burlington, Oakville, Halton Hills and Milton.

Signs will be posted at each location indicating when the larvicide was applied.

For the locations and dates of treatment, please visit our Web site [www.region.halton.on.ca/health](http://www.region.halton.on.ca/health). For more information about West Nile virus, please call the Halton Region Health Department.

**Back pain?**

Georgetown, Ont. - According to a recently released back pain relief report, most back pain sufferers have no idea how to eliminate their pain. Some use heat, others ice, some sleep on the floor...to pillows under the legs, even injections in the back. Thanks to a free report, local back pain sufferers can finally know exactly what to do. To get a free copy, call the Back Pain Associates toll-free, 24 hour recorded message at 1-866-335-3189.
