Writers' club holds 'suspenseful' Glen workshop

Ever stayed up all night reading a book? In the West Side Writers Coalition workshop, *18 Secrets of Writing a Page-turner*, experts will show you how to build that kind of suspense.

Workshop leader Brian Henry has been a book editor for 21 years and he will help you put into practice the techniques professionals use, on every page and in every kind of fiction, to create drama and tension.

He teaches creative writing at Ryerson University and George Brown College and has led workshops from Boston to Buffalo and from Sarnia to Ottawa. He has helped many of his students to get published.

This creative writing workshop will be held on Saturday, May 29, 1-5 p.m. in the Glen Williams Town Hall. The cost is \$32.

To register, call Diana Revelins, 905-891-2354 or e-mail b.henry@3web.net

QUESTIONS & ANSWERS

Q: Do I need a referral from my dentist?
A: No - simply call our office for an appointment. We serve you directly.

Q: Do denturists do lab work for dentists?
A: No - commercial dental labs do work for dentists - denturists have their own patients that they work on directly - so, if you didn't come to our office, we didn't make or fix your denture.

Q: If my denture breaks, what should I do?
A: Our office has a fully functional lab right on the premises. We do everything right here, so your denture can be repaired quickly, easily and affordably.

Q: How can I find out more about denturist's services?
A: Simply give our office a call, or drop by!

You do not need a referral; simply call our office direct.
