# Students to verify dog licences this summer

Throughout the summer, residents can expect a knock on the door from Town of Halton Hills summer students working for the dog-licensing program.

The students' purpose will be to identify unlicensed dogs and

dogs with expired licences in each household.

Dog owners will be able to buy or renew their dog licences from the students at the door, providing the dog has been vaccinated within the last 12 months. First-time licences can also be bought

at local veterinarian offices.

The cost for a lifetime licence for a dog that has been micro-chipped is \$47 and the cost for a first-time licence for a dog not micro-chipped is \$37 with an annual renewal fee of \$30.

In Halton Hills there are 1,972 dogs with lifetime licences and 2,006 with annual tags.

Dog owners are reminded by the town's enforcement branch that dogs should be kept leashed and under the control of a person capable of handling the dog when it is on any land other than that of the owner. Dog owners are also reminded the town has 'poop and scoop' bylaw.

For more information on the Responsible Pet Owner's Bylaw call 905-873-2601, ext. 2344.
