

A celebration of

Each year, Halton public schools choose students to be honored at the board's Celebration of Student Excellence. These students exemplify outstanding qualities in academic, vocational and athletic fields, self-improvement, community work, citizenship and student leadership, or specific criteria that reflect the school's unique priorities. Similarly, the Halton District Catholic School Board honors outstanding

students with its Sharing the Spirit student awards ceremony. Students selected demonstrated Catholic leadership, family commitment, involvement in school and community activities and commitment to a difficult situation.

Following is a report on each of the 21 youths representing Halton schools, as chosen by their peers, principals and/or teachers.
