

# GOOD NEWS!

As reported earlier, we recently downsized from two stores to one. Part of the deal was buying up the Alliston location's demos and excess inventory. Quite frankly, with our expansion looming, we don't have room for these extra cars, trucks, minivans and Jeeps. So starting today, we will have the first "Sale" in the history of Georgetown Chrysler Jeep. That's right folks, Georgetown Chrysler Jeep has never had an "event type" sale in our 11 year history. So we'll try it this week, Saturday to Saturday. David, our new Used Car Manager, has been authorized to overpay for any reasonable trade-in you may have. Sound different? It is for us! Come see and have some fun. When we get an opportunity to EARN your business we usually do.
