Ode to a FORTY Year Old Brenda
 You are over the hill at forty years old, The youth you once had, you can no longer hold.
 Your fine, sexy form and beautiful face, Are starting to show beauty lines all over the place.
 I know your hair is graying day by day, But no one can tell since you colour it away.
 We see your robust stature as you mature But you have not lost the ability to constantly speak (sometimes)
 So as you ponder the past forty years, Enjoy yourself and have a couple of martinis
