To celebrate 30th anniversary Region to spend \$15,000 on staff bash

Halton staff will spend an estimated \$15,000 from the region's operating budget on a staff celebration.

The money will be used for food and non-alcoholic drinks to mark Halton's 30th anniversary, an event that won't be open to the public.

A date for the event hasn't yet been set, but it's anticipated to be in September or October and will be held from 3:30 to 6:30 p.m. for about 800 staff members and current and past members of council.

Halton Regional Police have also been invited to the event, but will have to pay for their own staff to attend.

The budget for the event is broken down into \$11,000 for food, \$2,000 for non-alcoholic drinks, \$200 for promotions, \$500 for rentals and a \$1,300 contingency.

Halton Manager of Employment and Development John Phelan said the numbers are based on what it would cost a third party to prepare the food.

He added a menu hasn't been decided yet, but it will be standard barbecue fare, such as chicken.

The region will also change its logo for the remainder of the year to mark the 30th anniversary, which will come at no cost to taxpayers.

Some people enjoy a cold house.

Others enjoy the warmth of a high-efficiency furnace.

When it comes to purchasing a new, high-efficiency furnace, it's smart to get started early. Because starting early gives you a chance to talk to the experts, like the ones at Direct Energy Essential Home Services. Direct Energy carries the furnace names you know and trust, priced competitively and installed by our licensed heating experts. With energy costs continuing to rise, high-efficiency has never made more sense.

Bonus: purchase any new furnace by September 27th, 2004 and get the Heating Protection Plan FREE for 5 years*.

Plus, finance the purchase of any new furnace from Direct Energy by September 27th, 2004 for installation by October 21st, 2004 and don't pay for one full year**.

Enjoy no payments for 12 months*

For a free, no-obligation estimate call Direct Energy today at 1-866-286-2775. Turn your home into a Direct Energy Home. Visit www.directenergy.com/on/home

Direct Energy and the Energy Bolt Design are trademarks of Direct Energy Marketing Limited. *Certain conditions apply. Offer valid on purchases made by September 27, 2004, for installation completed by October 21, 2004. Ask for details. **On approved credit. The 365-day deferral offer is available on selected heating equipment purchased from Direct Energy Essential Home Services before September 27, 2004, installed by October 21, 2004, and financed (\$400.00 minimum) through Direct Energy Essential Home Services. No payment or interest will be charged on the balance owing until approximately 365 days from the date of installation. A deferral fee of \$49.95 along with applicable taxes are payable at time of purchase. There are no penalties for early payments; the remaining principal balance can be repaid at any time. Financing of service work provided by Direct Energy Essential Home Services is restricted to installation and extended warranties. Following the 365 day deferral period, the APR charged on an outstanding balance will depend on the amount financed as follows: the charge for amounts between \$400.00 and \$1,999.99 is 18.96% APR; amounts between \$2,000.00 and \$4,999.99 is 15.96% APR; and amounts of \$5,000.00 and greater is 12.96% APR. For example, after the 365 day deferral period a \$3,000.00 purchase less a down payment of \$0.00 (no down payment is required) results in a balance of \$3,000.00 to be financed for a maximum of 60 months (may not apply in some areas) following the deferral period with 60 monthly payments of \$72.89 totaling \$4,373.43 based on 15.96% APR with a cost of borrowing of \$1,373.43. Deferral charge, taxes, installation and delivery not included and may increase price or monthly payment(s). Call for details. Program subject to change, without notice, at any time.
