

Contest winner feels grand

Christine Allison, 13, was the lucky winner of \$1,000 in gift certificates at Georgetown Market Place, after correctly guessing 128 as the number of balloons in the school bus that was parked at centre court in the mall as a back to school promotion. A total of 30 entrants guessed the correct number, and Allison's name was randomly drawn from the group.

Breakfast meeting focuses on environment

Halton residents are invited to explore the deep sea without getting wet September 17 at the Bell/Chairman's Breakfast on the Environment.

The event, hosted by Regional Chair Joyce Savoline, is designed to raise awareness about preserving Halton's environment and will feature author and renowned deep sea explorer Dr. Joe MacInnis as the keynote speaker.

MacInnis was the first person to dive under the North Pole, and among the first five people to view the underwater remains of the Titanic.

A highlight of the event will be the premiere screening of a clip from director James

Cameron's *Aliens of the Deep*, a 3-D Imax documentary of 40 dives made to volcanic vents of the Atlantic and Pacific Oceans, scheduled for release in January. MacInnis worked with Cameron on this film.

The event is directed by a round table of volunteers from Halton's school boards and corporate and community sectors. It's presented in partnership with the TD Friends of the Environment Foundation and supported by Bell Canada.

To reserve tickets contact the Halton Region Business Development Centre at 905-825-6000, ext. 7514, or visit www.haltonbusiness.com. Tickets cost \$40, and corporate tables of 10 are available.
