# REFLECTIONS

## IN HALTON

They're the people you hope you never need. When an emergency is needed, they are the first to arrive. In the eyes of the community, they are the people we call upon to be at their best. As major as a car accident or a house fire, as minor as directing traffic when the lights go out, firefighters and paramedics put themselves at risk every day. Sponsors in showing your appreciation.

**Thanks for all you do!**
