

## Filling up the Bread Basket

The Georgetown Bread Basket food bank received \$2,000 from the Georgetown Canadian Tire store, a portion of the funds raised during the Canadian Tire Foundation for Families Spring Bike Helmet campaign. On hand to make the presentation were (left) Georgetown Canadian Tire store manager Tracey Craig and Georgetown Bread basket media coordinator Marian Viant.

## Mother Daughter Walk to benefit women's heart health research

The North Peel/Halton Hills Chapter invites the community to put their best foot forward at the 10th annual Cheerios Mother Daughter Walk for Heart & Stroke on Sunday, Sept. 26.

The event will be held on a 4 km route at Heart Lake Conservation Area in north Brampton.

The Cheerios Mother Daughter Walk is an event for the whole family. The opening ceremonies and warm-up, led by a fitness instructor will be at 10 a.m. with the walk beginning at 10:30 p.m. Refreshments will be provided after the walk. There will be musical entertainment, a clown, and massage therapy for the adults, as well as many door prizes.

Registration and pledge drop-off on event day begins at 9 a.m. You can also register on-

line at [www.heartandstroke.ca/walk](http://www.heartandstroke.ca/walk) or call 905-451-0021 for more information or to volunteer on event day.

Event organizers hope to raise more than \$40,000 and see 480 people out on walk day. All walkers raising \$60 will receive a T-shirt and there are prizes for other levels. Free participant packs will be available to all walkers while quantities last.

The pledges will go towards research in women's heart health. According to the Heart and Stroke Foundation, 40 per cent of all female deaths are due to heart disease, disease of the blood vessels and stroke. Unfortunately the majority of the female population is unaware that heart disease and stroke is the number one cause of death among women, claiming more than 38,000 lives each year.

## IMPORTANT SAFETY HAZARD NOTICE

Zellers has learned of a potential safety hazard with an infant girls' denim jumper sold under its **CHEROKEE BABY®** brand.

The metal buttons found on the shoulder straps and at the waist can become detached from the garment, posing a potential choking hazard to young children.

The blue denim jumper was sold as part of a 3-piece set with a striped t-shirt and matching head band (in a pink, turquoise and yellow colour combination only). It was available in sizes 3/6 months to 18/24 months at Zellers stores across Canada beginning in March 2004, for \$22.97 (or less when on sale). The jumper is made of 100% cotton and the brand "Cherokee Baby" is printed on the inside label.

Although there have been no reports of injuries, Zellers has removed all remaining 3-piece sets from its stores and urges customers to stop using them immediately and return to any Zellers store in Canada for a full refund.

Zellers takes its commitment and responsibility to its customers seriously. Should the Company discover a problem with any product, it will take appropriate measures to ensure the matter is brought to the attention of its customers and corrected.
