**Remember to Drive SAFE this school year**

Brent Marshall  
CAO  
Halton Region

With the kids back in school, it's more important than ever to be mindful of how fast you drive. On your travels around Halton, you may have seen some of our new Drive SAFE (Safety Awareness For Everyone) road signs, reminding drivers of the costs of speeding such as fines and lost demerit points. However, the biggest cost could be a life. So while driving, be aware of your speed and slow down, it could be the best decision you make all day.

Help keep Halton roads safe. Drive SAFE.
