Conditions and restrictions apply. Offers/pricing subject to change and/or cancellation without notice. Handset selection may vary by store and may not be exactly as shown. Offers apply to new activations only. Roaming charges and taxes are extra. *\$25 rate plan available from August 12 until September 30, 2004 on new activations only on 12, 24 and 36 month service agreements. The then current regular monthly rate (now \$30) will apply thereafter. **Unlimited Calling offer available from September 18-21, 2004 and is only offered at participating stores. 3 months of Unlimited Calling applies to local and long distance calls from Canada, to Canada or the United States and will be included for 3 months on 24 and 36 month agreements and for 2 months on a 12 month agreement (early termination fees apply). After the 2 or 3 month promotional period, the unlimited local calling and long distance feature will automatically be removed and monthly billing will begin on the chosen plan. †After airtime rebate (amount includes all applicable taxes). Subject to a 36 month service agreement. ††The Digital Bundle is available with selected Bell services. You must be a Bell Canada long distance subscriber but you do not have to subscribe to Bell's local service or other tariffed services. Minimum 24 month service agreement required for each service. For full details, visit a participating Bell World store.
