

The closer to home cancer hits,

the closer to home you want to be.

Help build Georgetown's Regional Cancer Centre

It will be at The Credit Valley Hospital. And it will be for every person in every city and town in the regions of Peel, Halton, Dufferin, Wellington, Simcoe and GTA West. It means world class care and treatment will be close to home – close to family and friends.

Your donation is worth a million. Literally. When we raise the next \$4 million, The Kresge Foundation will contribute the additional \$1 million needed to complete the cancer centre campaign.

**The Carlo Fidani Peel Regional Cancer Centre.
It isn't just any cancer centre. IT'S YOURS.**

Please give what you can, as soon as you can.

Compost giveaway wraps up

Halton Region's popular fall compost giveaway ends tomorrow (Saturday) at the Halton Waste Management Site, 5400 Regional Road 25 in Milton.

As part of Halton's strategy to divert waste away from Halton's landfill site, residential yard waste picked up from curbsides is recycled into rich, garden-friendly compost. Twice a year, Halton residents are invited to collect the finished product for use in their gardens.

Residents are encouraged to bring along a donation of a non-perishable food item for local food banks. Compost can be picked up between 8 a.m.-4:30 p.m.

Residents must bring their own bags or containers (maximum seven per household) and a shovel in order to bag their own compost.
