#### Metal & Appliance Collection in the Urban Areas

Appliances and metal items are collected on a call-in basis only and therefore will not be collected on your scheduled Special (Bulk) Collection day.

To receive collection, please call Halton Region at 1-866-442-5866.

Metal items and appliances include refrigerators, freezers, dishwashers, stoves, washers, dryers, metal furniture, broken down swing sets, barbecues (no propane tanks), bicycles (no tires), etc.

Please ensure appliance doors are removed for safety.

If you have unwanted items that are in good condition, consider donating them to a charitable organization or reuse centre. You will be diverting material away from Halton's landfill and helping people in need at the same time!

#### Halton students can get their TTC student cards in Halton!

Chairman  
Joyce Savoline

As part of our continuing commitment to public transit, I'm proud to announce that Halton students can come to the Halton Regional Centre on Tuesday and Wednesday of next week to get their picture taken for their TTC student card.

In order to take advantage of the TTC discounted student rate, you must have a TTC student card. Simply pick up an application from your school, fill it out and bring it to the Halton Regional Centre, 1151 Bronte Road, Oakville between 4:30 and 9:30 p.m. on Tuesday, September 28 and Wednesday, September 29. In order for the TTC to cover the processing costs for the card, there is a \$5 charge for this service.

If you have any questions about how to get your TTC student ID card, please give us a call or talk to your school's office.

## Seniors to check into their past

Fall has arrived, and following a successful Open House Week, activities at the Georgetown Seniors Centre are well under way. Hope you have been able to sign up for one or more of the interesting programs. If you are not certain what is available, check in your copy of *The Hilltops* or drop in for a visit between 8:30 a.m. and 4:30 p.m. Someone at the front desk will be happy to help you out.

Bernie Bradner and Dave Naylor are offering an instructed class to teach you how to research your genealogy. This is your chance to become a detective looking for clues as you trace your ancestry farther and farther back in time. We need to document things for our future generations or they will be lost forever.

A course to teach you how to research your genealogy will start on Oct. 6 (Wednesday) at 9 a.m. Each session will last two hours and will cost \$2 per attendee. You will begin at the beginning on how to get started, how to record the details and how to expand your research. You can contact Dave, 905-877-6013 or Bernie, 905-702-0265.

A reminder of some upcoming events at the centre include, the Thanksgiving Lunch on Tuesday, Oct. 5, 12:30 p.m.; Watercolour Workshop on Monday, Oct. 18, 9:30

a.m. to 3:30 p.m. and the Christmas Bazaar on Saturday, Nov. 6.

Please: The drop box for A&P tapes at the stores has been removed. These tapes bring in extra money to the centre so please continue to save the A&P tapes and bring them to the centre and drop them in the box by the front desk. It is really important we keep this going.

Halton Hills Seniors Information Showcase and Flu Clinic will be held on Tuesday, Oct. 19, 10 a.m. to 4 p.m. at the Gellert Community Centre, at the corner of Eighth Line (Main St. S.) and 10 Sideroad.

Grant, from the Travel Desk, asked me to encourage you to sign up for a trip to the John Labatt Centre to see the world famous Lippizzaner Stallions on Sunday, Oct. 14. There are only 26 seats available. He is still looking for names of anyone interested in going to see the musical, *Hair Spray*. Just sign the list on his desk.

Non-members of the centre are encouraged to join the bus to Casino Rama on October 25. It's a great deal for \$5.

Come out, get involved, make new friends, and share in the good times at the Georgetown Seniors Centre.
