

Are you hearing everything important in life or is it just one big ugly mess?

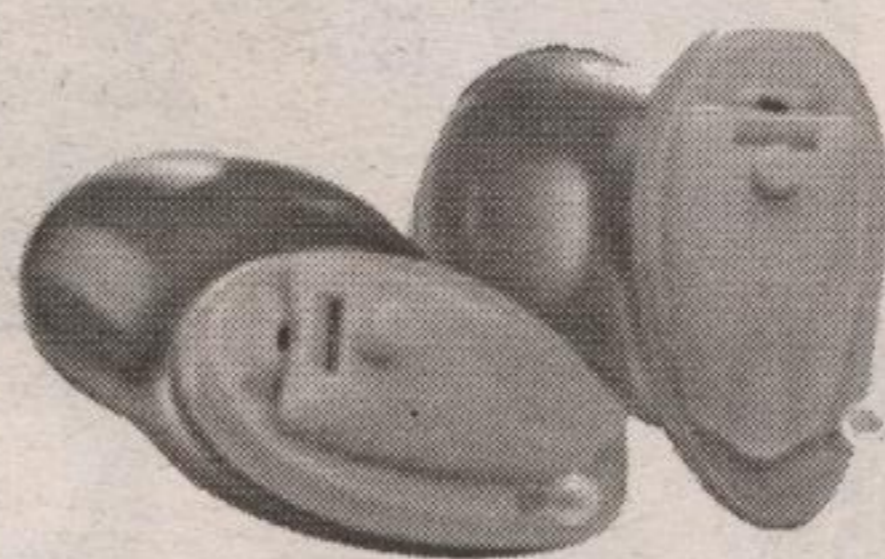

Phonak, a world leader in high-performance hearing system design, proudly introduces Perseo™, the first and only digital hearing system with PersonalLogic™.

- PersonalLogic™ lets you choose the way you want to hear in quiet and noisy situations
- Adjusts automatically to fit your needs
- Selected models with digital AudioZoom™ help you hear in background noise*

Perseo is an incredible hearing system. It has the proven capability to enhance how you live your life.

It's powerful, yet so small and discreet that the only thing people will notice is how well you can hear. Don't allow hearing loss to stop you from participating in your life. See how Phonak digital technology can change how you hear the world.

Take the first step now. Call us for an audiological assessment and consultation.

*Clinical results available upon request. Individual results may vary.

At The Georgetown Hearing Clinic, we are committed to your individual hearing needs. Find out how we can help.
