At last week's annual Community Living Halton golf tournament at Eagle Ridge Golf Course, tourney organizer Carmen Widdes was a brave soul as he stood in as a tee for Councillor Bryan Lewis while golfers Mike Butting (in back, left) and Bill Miller enjoyed the light moment.

Town to hire parking control officer

The Town of Halton Hills will spend \$7,000 this year to hire an outside parking control officer.

The town's officer has currently been on sick leave, and Halton Police has taken over writing parking tickets temporarily. A private corporation would be contracted to provide an officer for four hours a day,

Monday to Friday for about three months. Staff expect to collect about \$3,000 in fines, that would offset the \$7,000 cost.

The Dog Licensing Program registered over 1,220 dogs in the first half of the year. There is currently 4,910 dogs registered in Halton Hills.

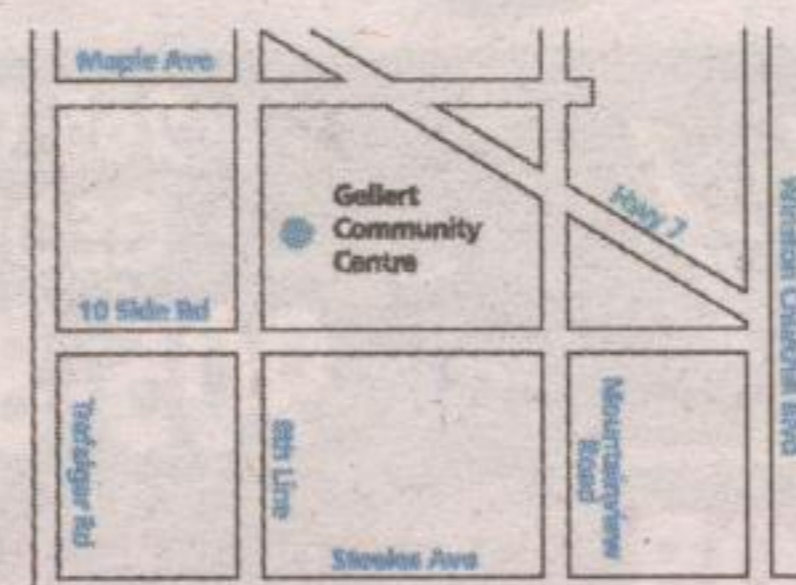

WHAT DO I REALLY WANT?

...THAT MONEY CAN'T BUY

In a world full of so many choices, it's surprising that many of us are searching for the same things. We invite you to join us, at The Gathering, over the next 6 Sundays for a series of life changing presentations:

- I want... friendships that last. - October 3rd*
- I want... a second chance. - October 10th*
- I want... an encounter with God. - October 17th*
- I want... the opportunity to dream again. - October 24th*
- I want... to be the best I can be. - October 31st*
- I want... to do something that matters. - November 7th*

The Gathering is church like you have never experienced it before! Tim Horton's® coffee and Timbits® are free on arrival, we sit at tables in a casual atmosphere, dress informally, play contemporary music, and share practical messages that deal with real life issues.
