

# ALMOST

Well, we didn't quite reach our target of 75 cars, trucks & Jeeps but as they say in  and  ... **CLOSE ENOUGH!!**

Thursday, Daimler Chrysler informed us we were at 118% of M.S.R. (minimum sales responsibility), for the calendar year. That means we are capitalizing on our opportunities and outpacing the market.

### PLAIN ENGLISH:

We're making deals happen that others either can't or won't make. So our enthusiasm is high and we've clearly got momentum!

**IF YOU HAVE A TRADE-IN  
WE VIRTUALLY HAVE A DEAL.  
150% HERE WE COME.**

See you soon and thanks so far.
