## Carpet Barn puts out the welcome mat to the Cancer Society

Carpet Barn Carpet One is joining the fight against breast cancer with a cause-related fundraising campaign, *Carpet One Welcomes Your Support*, which kicks off this month, Breast Cancer Awareness Month.

During October, Carpet Barn will donate profits from sales of the specially-designed welcome mats to its local Canadian Cancer Society (CCS) chapter.

"Our customers are affected by and care about this disease. By joining the fight against breast cancer, we are working to assist with an issue that impacts our customers, our communities, our friends and our families," said Jamie Watt of Carpet Barn Carpet One.

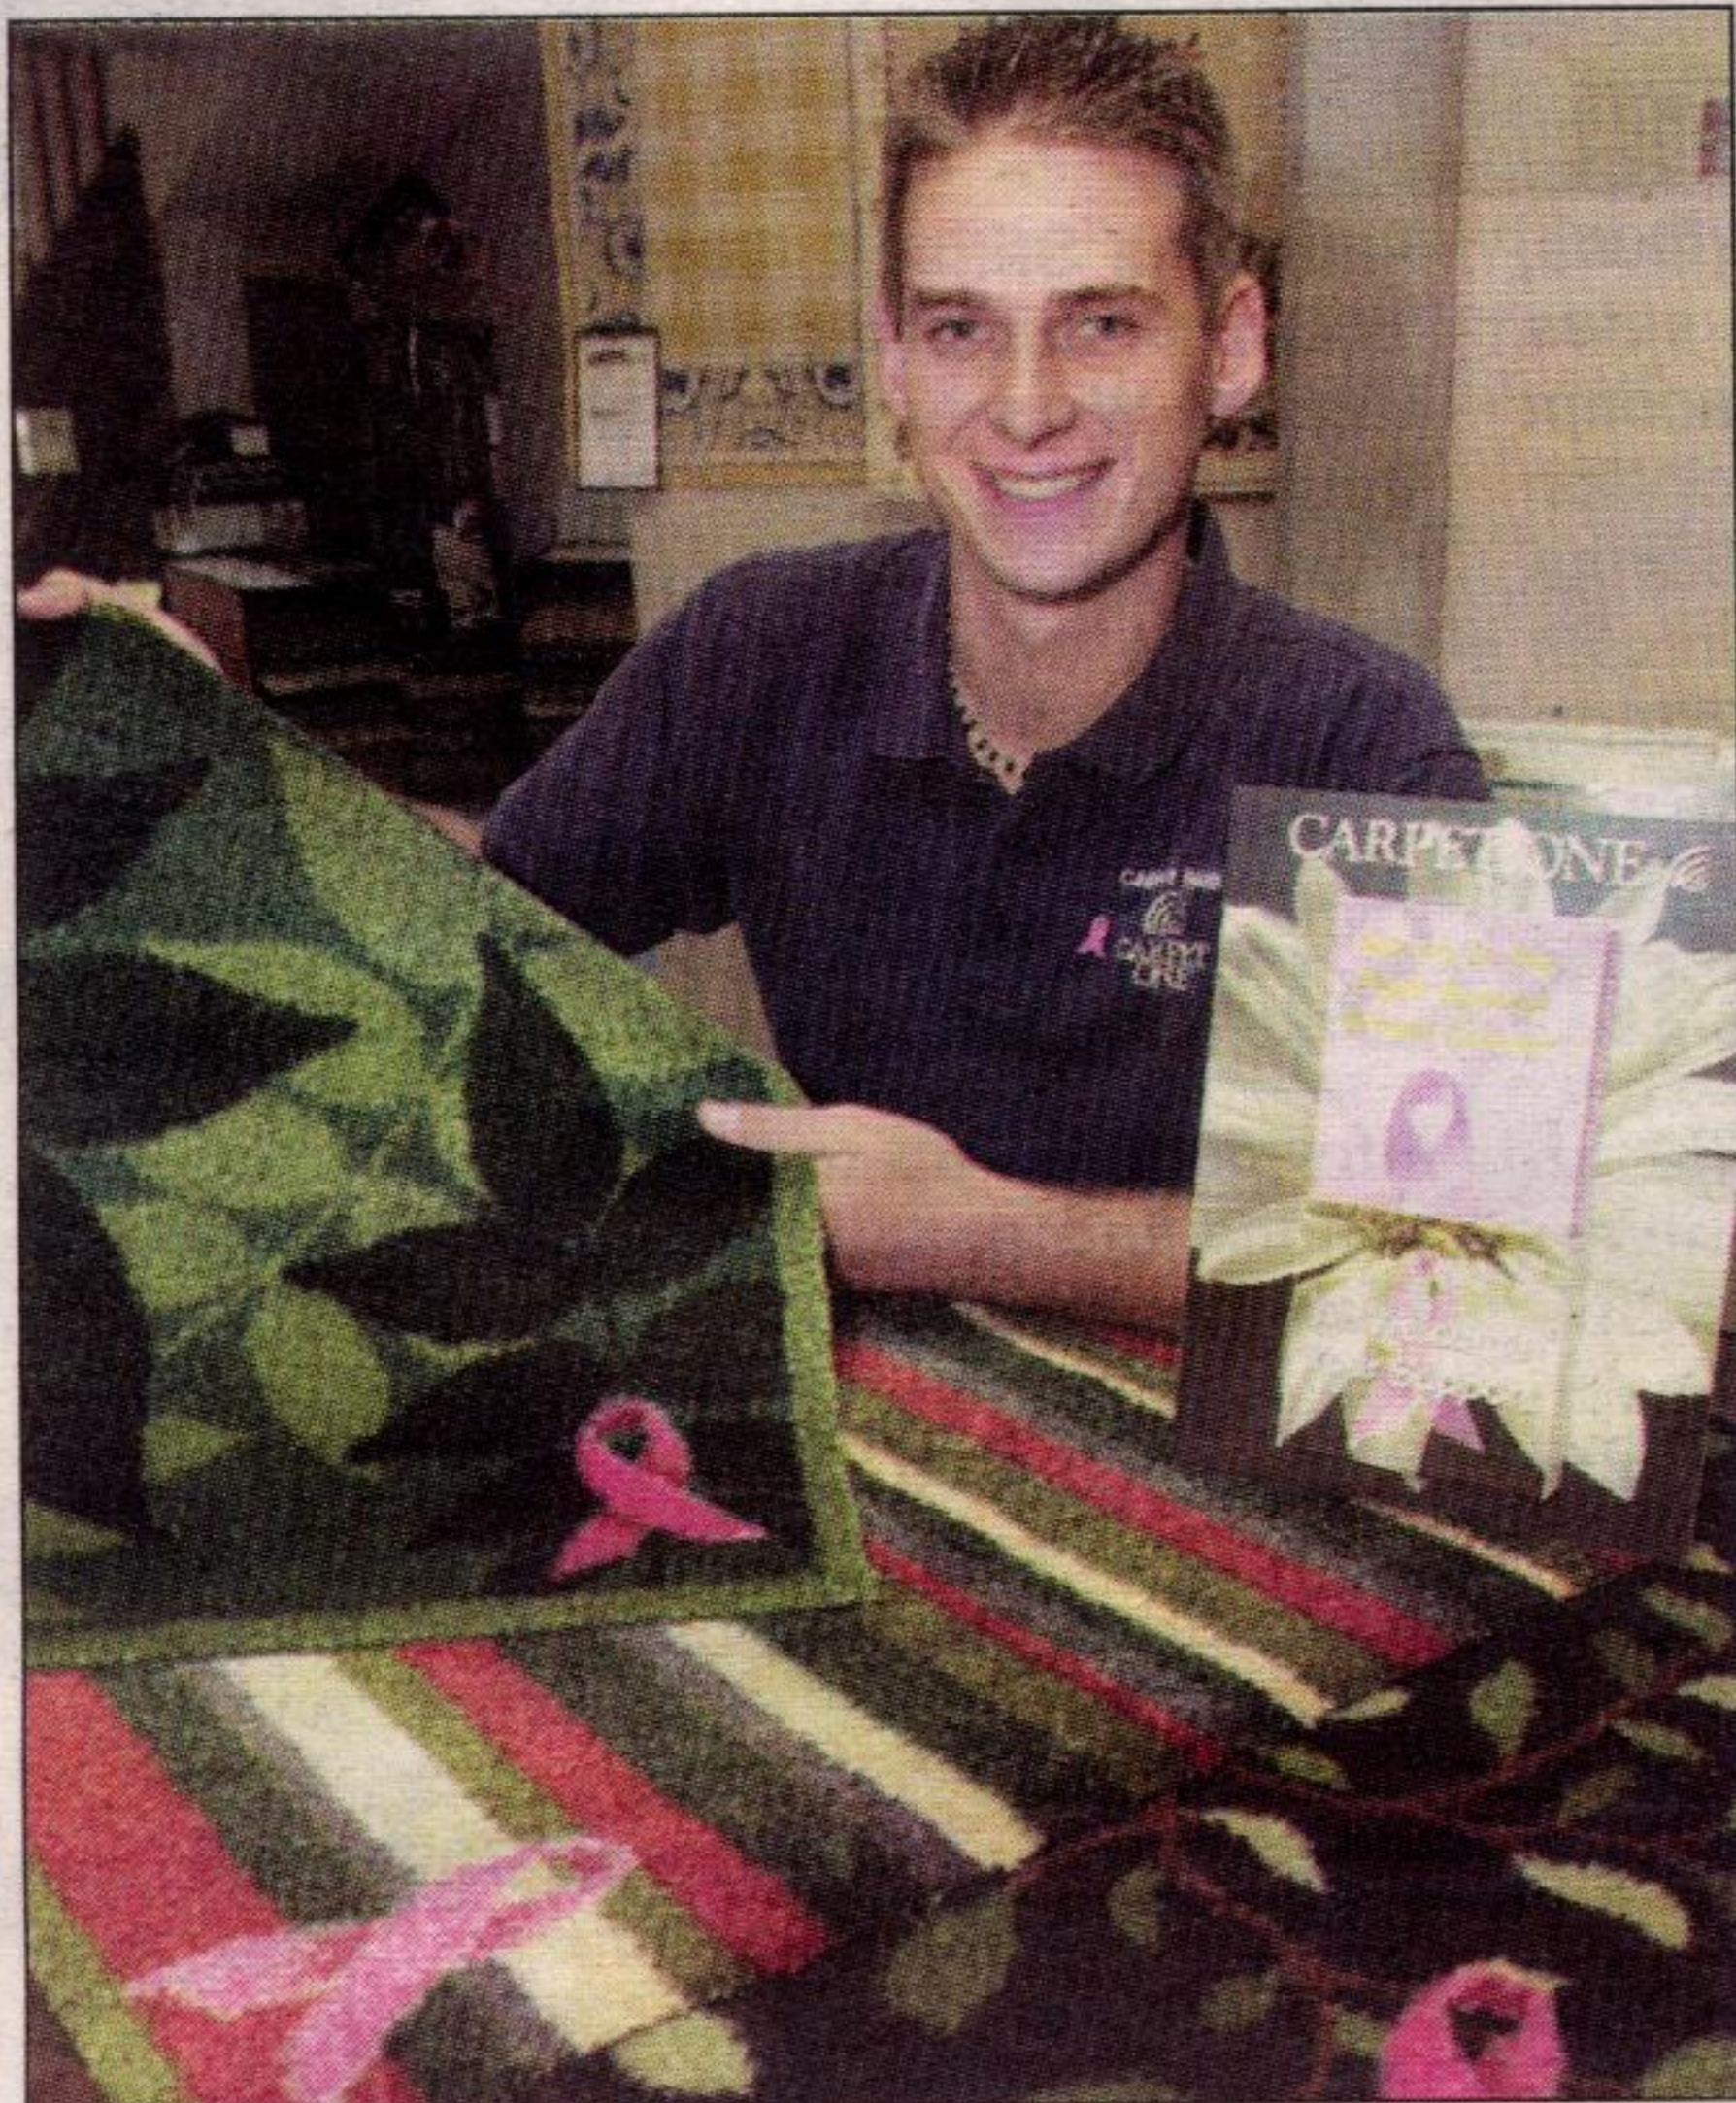

According to CCS statistics, this year more than 21,000

Canadian women will be diagnosed with cancer and about 5,200 will die from the disease.

Consumers can support the cause by purchasing a welcome mat, each emblazoned with a pink ribbon symbolizing the breast cancer campaign.

- *Tree of Life* features a traditional design of intertwined vines in moss green hues along a black background
- *Stripes of Hope* presents a modern look with a bold graphic design of thin vertical stripes in alternating shades of cranberry red, slate blue, moss green and black
- *Everlasting Evergreen* integrates tonal shades of dark to light green fern patterns silhouetted against a dark background.

Made of plush nylon, the welcome mats are water and stain resistant, machine-washable and can be used both indoors and out. All three are available at Carpet Barn Carpet One, 26 Guelph St. for \$34.99.

## Drinking and Driving Starts Trouble.

If you're drinking, give someone else the keys to your car or you could be introduced to another set of keys — the keys to a cell at the local jail. Imprisonment, license suspension, hefty fines, injury or even death are some of the obstacles you face when you drink and drive. Always drive sober and steer clear of trouble.
