

Chong named to science panel

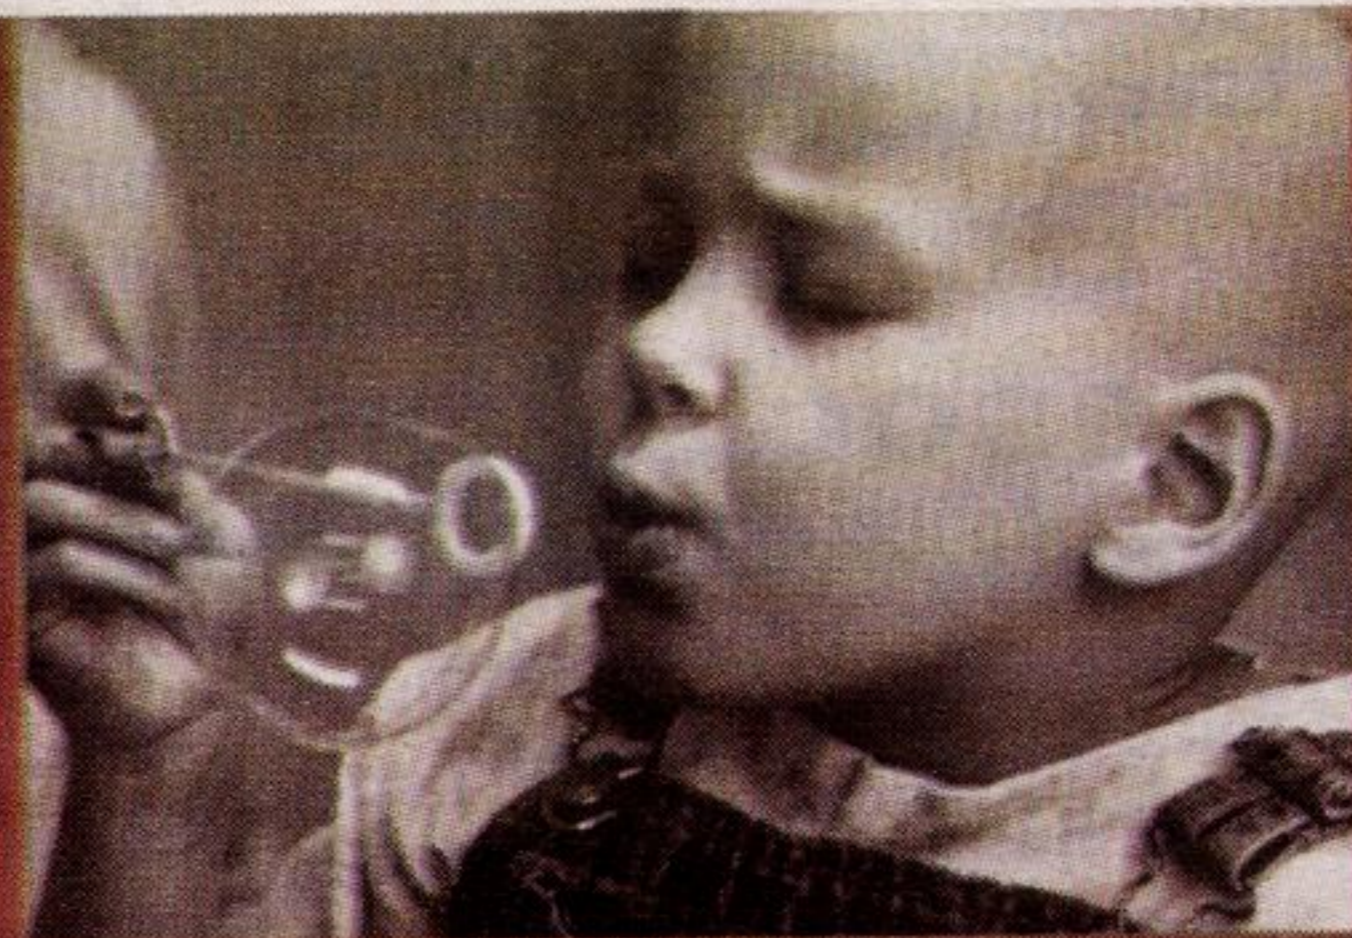

Wellington-Halton Hills MP Michael Chong has been appointed to the House of Commons' Standing Committee on Industry, Science and Technology.

"I'm pleased to be appointed to this committee," said Chong. "It will allow me to understand the needs of the business community."

Chong said he was excited to work on a committee that concerns both the industrial and service side of Canada's economy.

"This is of particular importance since we have a number of large and small industries right here in Wellington-Halton Hills. In addition, many people who live in Wellington-Halton Hills work in the hi-tech sector's technology triangle in Waterloo region."

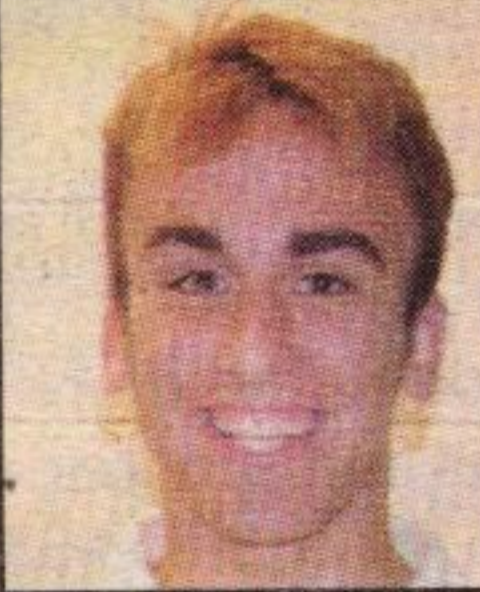

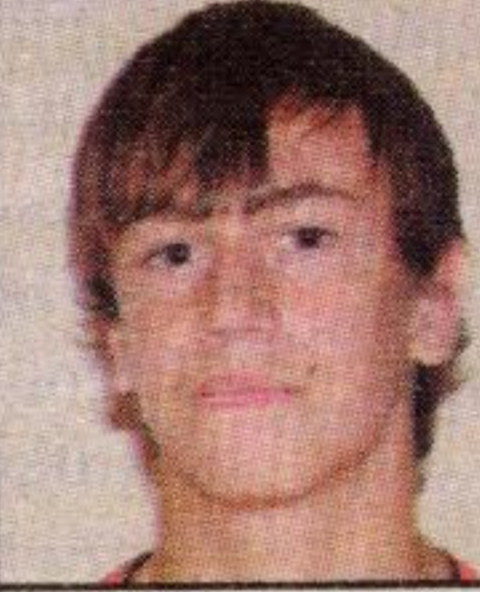

He added he wants to help ensure a regulatory and economic framework that will attract business and jobs to Canada and the region.

The cost of fighting cancer is unbelievable.

The cost of not fighting is unthinkable.

ATHLETES of the Week

GEORGETOWN DISTRICT HIGH SCHOOL  Alex Holtom	CHRIST THE KING  Alex Dezane	ACTON DISTRICT HIGH SCHOOL  Matt Bigg
 Marie Keenie	 Ben Flikkema	 Norm Tosh

Acton High School Athletes of the Week are Norm Tosh and Matt Bigg. Tosh, a power of the Bearcats volleyball team, was chosen for his good blocking against MDHS in a recent game. Bigg, a member of the Bearcats cross country team was recognized for his outstanding accomplishment at London finishing 7th of 300 and 14th overall out of 645 runners at the Tommy Longboat Race at Centre Island.

Georgetown District High School Athletes of the Week are Marie Keenie and Alex Holtom. Keenie, a member of the Rebels cross country team was cited for her strong finish at the Heart Lake meet, finishing 25 of 300. Holtom, a centre mid-field on the Rebels junior field hockey team was selected for her determination and team work against Aldershot.

Help build Georgetown's Regional Cancer Centre

It will be at The Credit Valley Hospital. And it will be for every person in every city and town in the regions of Peel, Halton, Dufferin, Wellington, Simcoe and GTA West. It means world class care and treatment will be close to home – close to family and friends.

Your donation is worth a million. Literally. When we raise the next \$4 million, The Kresge Foundation will contribute the additional \$1 million needed to complete the cancer centre campaign.

The Carlo Fidani Peel Regional Cancer Centre. It isn't just any cancer centre. IT'S YOURS.

Please give what you can, as soon as you can.

For more information and ways of giving, call 905.813.4123 or visit www.cvh.on.ca
