

TOWN OF  
**HALTON HILLS**  
*Working Together Working for You!*

**PUBLIC NOTICE**

**TO CEMETERY LOT OWNERS**

The Town wishes to contact persons responsible for maintenance of the following lots:

**Greenwood Cemetery**

- Name:**  
Dianne Black  
David and Erma DeRose  
Philip and Elsie Hayes  
Hewitt  
Gerritt and Rimke Koeslag

**Fairview Cemetery**

- Name:**  
Gertrude and John M. Allen  
Robert and Kathleen Allen  
Wilbert and Marion Davidson  
Michael and Maria Diaczok  
Charles and Ada Franklin  
Robert John and Wilhelmina Hargrave  
Cecil and Grace Nelles  
J.F. O'Connell  
G. Harry Shortill

If you have any information regarding these lots, please contact Ted Drewlo, Manager of Public Works at (905) 873-2601 extension 2602. If a contact is not reached, overgrown shrub removal within these plots will be completed after November 15th, 2004 in accordance with By-law 00-154. 141

**PUBLIC MEETING**

**NOTICE OF A PUBLIC MEETING**  
WARD 3/ north side of Wesleyan Street  
and the south side of James Street (between  
two roads), Part of Lots 4 & 6,  
Lot 5, R.P. 51, and Part of Lot 19,  
Concession 8, Town of Halton Hills  
(Georgetown)  
**FERRARO**

Council for the Town of Halton Hills will conduct a Public Meeting to examine and discuss proposed **D12/Ferraro (Plan of Subdivision), D25/Ferraro (Part Lot Control), and D07/Ferraro (Plan of Condominium)** applications. The applications relate to a parcel of land, approximately 0.57 ha (1.4 ac), and located on the north side of Wesleyan Street and on the south side of James Street (between the two roads) within the Town of Halton Hills (Georgetown). The property is currently vacant (with the exception of a temporary real estate sales trailer).

The D12/Ferraro (Plan of Subdivision) application is intended to divide the lands into three (3) blocks. The application for subdivision has been proposed in order to allow for a subsequent part lot control application.

The D25/Ferraro (Part Lot Control) application is intended to divide the site into the required Lots and Blocks to develop, market and sell independent building lots.

The D07/Ferraro (Plan of Condominium) application is intended to finalize the development process, by placing the previously divided Lots and Blocks, into 'common element condominium' ownership.

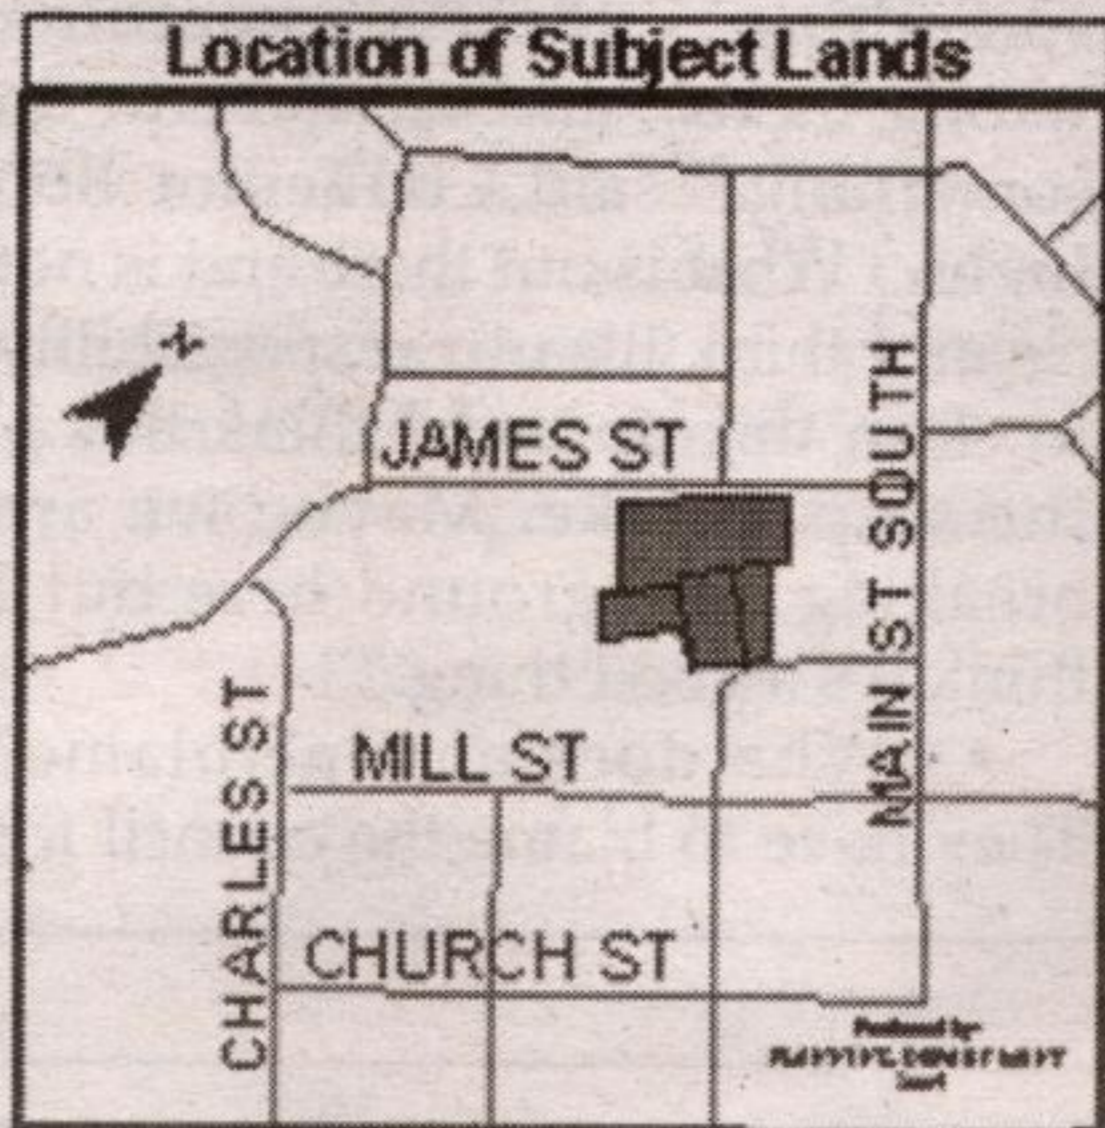

The above three applications implement a previous Council decision to approve a Site Plan for 27 Townhouse dwellings.

If you wish to be notified of the adoption and/or decision of the proposed 1) Plan of Subdivision, 2) Part Lot Control, or 3) Plan of Condominium, by the Town of Halton Hills, you must make a written request to the Town of Halton Hills at 1 Halton Hills Drive, Halton Hills, Ontario L7G 5G2.

If a person or public body that files an appeal of a decision of the Town of Halton Hills in respect of the proposed Plan of subdivision and/or proposed Plan of Condominium and does not make oral submissions at a public meeting or make written submissions to the Town of Halton Hills before the proposed Plan of Subdivision and/or proposed Plan of Condominium are adopted, the Ontario Municipal Board may dismiss all or part of the appeal.

Further information on these applications is available in the Planning Department, Town of Halton Hills, 1 Halton Hills Drive, Halton Hills, Ontario L7G 5G2.

ALL INTERESTED CITIZENS ARE WELCOME.

**DATE/TIME:** October 18, 2004, 7:30 p.m.  
**LOCATION:** Council Chambers, Civic Centre  
**FILE NO's:** D12/Ferraro, D25/Ferraro, D07 Ferraro 142

**EMPLOYMENT OPPORTUNITY**

**ENGINEERING DESIGN TECHNICIAN**  
**Posting No. 200426**

Reporting to the Manager of Engineering Design and Development, the Engineering Design Technician is responsible for the preparation of engineering design drawings to ensure complete and accurate detail in accordance with applicable standards.

**RESPONSIBILITIES:**

- Transfer survey data to engineering drawings.
- Undertake base plan drafting for capital reconstruction projects and review plans on site for accuracy.
- Identify design priorities and design standards for individual projects.
- Undertake design and drafting, including storm water calculations relating to storm water management.
- Undertake design and drafting for local, collector and arterial roads.
- Itemize and calculate construction quantities for inclusion in contract tender documents.
- Provide cost estimates for tendering purposes on capital reconstruction projects, and capital budgets.
- Conduct construction inspections, as required.
- Provide mapping and quarterly updates to local utility companies.
- Provide pre-engineering, engineering design drawings and project information to utility companies, etc.
- Maintain and update the drawing filing system and as constructed information.
- Assist contractors and the general public with their inquiries.
- Provide the highest standard of customer service for both internal and external customers.
- Applied knowledge of current roadway, and storm sewer design standards.
- Strong ability to utilize AutoCAD and AutoCAD design software such as land desk development.
- Applied knowledge of GIS principles, practices and software.
- Applied knowledge of past and present civic survey techniques, applications and standards.
- Applied knowledge of on-site construction inspection.
- Perform tasks in a safe manner with regard to the guidelines as outlined in the Occupational, Health and Safety Act.

**QUALIFICATIONS:**

- 3 year Diploma in Civil Engineering Technology Program, or equivalent education and experience.
- Registration with O.A.C.E.T.T. with a C.E.T. or C.TECH designation.
- 6 years of experience in a Civil Engineering environment.
- Computer literate in Microsoft office computer software.
- Valid Ontario Class 'G' Drivers License with a clean driver's abstract.
- Supply of personal vehicle to perform duties.

The salary range for this full time position is \$48,399 to \$57,618 per annum.

Qualified candidates may submit a detailed resume in confidence, using **ONE** method of application only, by **4:30 p.m., Friday, October 29, 2004.** Please quote **Posting No. 200426** on your resume.

Ms. Jacqueline Bowles  
Manager of Human Resources  
Town of Halton Hills  
1 Halton Hills Drive  
Halton Hills, ON L7G 5G2  
Fax: (905) 873-1431 143

Questions regarding this collection should be directed to the Manager of Human Resources. We thank all candidates for their interest however only those individuals chosen for interviews will be contacted.

AN EQUAL OPPORTUNITY EMPLOYER

1 Halton Hills Dr., Halton Hills, ON L7G 5G2  
Tel.: 905-873-2600 • Fax: 905-873-2347

**Don't want to lose it? Don't leave it in your car**

**W**ould you leave your wallet in your driveway? Or your cell phone, golf clubs or lap top computer? How about cash or CD's?

In Georgetown, which enjoys a very low crime rate, there are numerous car entries each week. Most of these cars are left unlocked, so the victims have made it very easy for the culprits to steal their property.

Most of the thieves who steal from cars won't break a window. It makes too much noise. On a residential street there are always potential witnesses to a noisy crime, so the culprits will check for unlocked car doors, or windows rolled down.

Some of you will say "If someone really wants to get in the car they will, so I leave it unlocked to prevent damage." That is true, it is not hard to get into a locked car, but why not make it as difficult as possible. Whether you leave your car doors locked or not, it is still not wise to leave expensive or important items inside your vehicle.

Think of all the work that it takes to replace everything that you have in your wallet....credit cards, driver's licence, SIN card, library card, bank card, photographs, etc. etc....not to mention the police officer who will have to take the report and place all of the items on the police computer.

Did you know that a whole set of false

911/  
411

Laurel Barnett

identification can be created from a few items of stolen ID? There could be someone walking around using your name to commit frauds and other criminal offences. Your credit rating could be at risk.

If your laptop computer is stolen it is virtually impossible to replace the information stored on it. You will most likely have to pay the deductible for your insurance claim.

Save yourself the inconvenience. Lock your vehicle doors and do not leave anything in the passenger portion of your vehicle. Lock them away in your trunk.

If you would like any information on this or any other police matters, contact me at 905-878-5511 ext 2120 or laurel.barnett@hrps.on.ca
