YOUR HOUSE SOLD IN 90 DAYS OR BRUCE ELMSLIE BUYS IT!!!

Shop for your new home with a "GUARANTEE SALE" for the one you are leaving behind. (some restrictions apply) Here's how it works!! The agreement with me is to sell your property within a specific period of time. If I am unsuccessful . . . I will purchase your property for the agreed price we have established. That's how confident I am in the ability to find a buyer. Should we be fortunate enough to obtain a higher price than agreed upon, I will rebate the difference to you. Wouldn't it be a relief to shop for your new home with "ready cash"?? That's how you make a better purchase! A pretty "risky" move for me? Not really! It is my business to sell properties and I've got a whole lot going for me . . . powerful advertising programs to market your property correctly, along with the financial connections to assist you when making the move. "Let me work for you . . . I have specialized in the marketing of resale properties in the Georgetown area for over 34 years. I started my real estate career with Fobert Real Estate Ltd. in 1970, received countless awards for "top sales achievements", then moved to Re/max as an associate broker and received "top sales awards" three years running. I established "Wildwood Realty Inc." In 1987 and have been very successful in the sale of town and country properties in this area since that time. Please contact me if you are planning a move, you will be delighted with the efficient and courteous service my Real Estate Company has to offer.
