Working Together Working for You!

EMPLOYMENT OPPORTUNITY

Working together to preserve and enhance our quality of life, that's our mission at the Town of Halton Hills. With a unique history and distinctive community identity, we are proud of our achievements towards the preservation of our cultural heritage and natural environment, including the Niagara Escarpment, the Bruce Trail and the Credit River Valley.

ENGINEERING DESIGN TECHNICIAN

Apply your knowledge of civil survey, drafting & design techniques, including the transfer of survey data into complete, accurate detail engineering drawings. You will undertake base plan drafting and basic engineering design for capital reconstruction projects, as well as calculate construction quantities and provide cost estimates for contract tenders. With 6 years of experience in a civil engineering environment, you have gained a practical understanding of on-site construction inspections, roadway and storm sewer design standards, and GIS principles, practices and software. You have a diploma in Civil Engineering Technology or equivalent, OACETT registration with a CET or C.Tech. designation, and proficiency in MS Office and AutoCAD. This position requires a valid driver's license with a clean driver's abstract, and access to a reliable vehicle. The annual salary for this position is \$48,399 to \$57,618.

We offer a highly professional, progressive and supportive work environment. To be an integral part of our growing community, please send a detailed resumé (using **ONE** method of application only), including references and a cover letter, quoting Posting #200426, by 4:30 p.m., Friday, October 29, 2004, to:

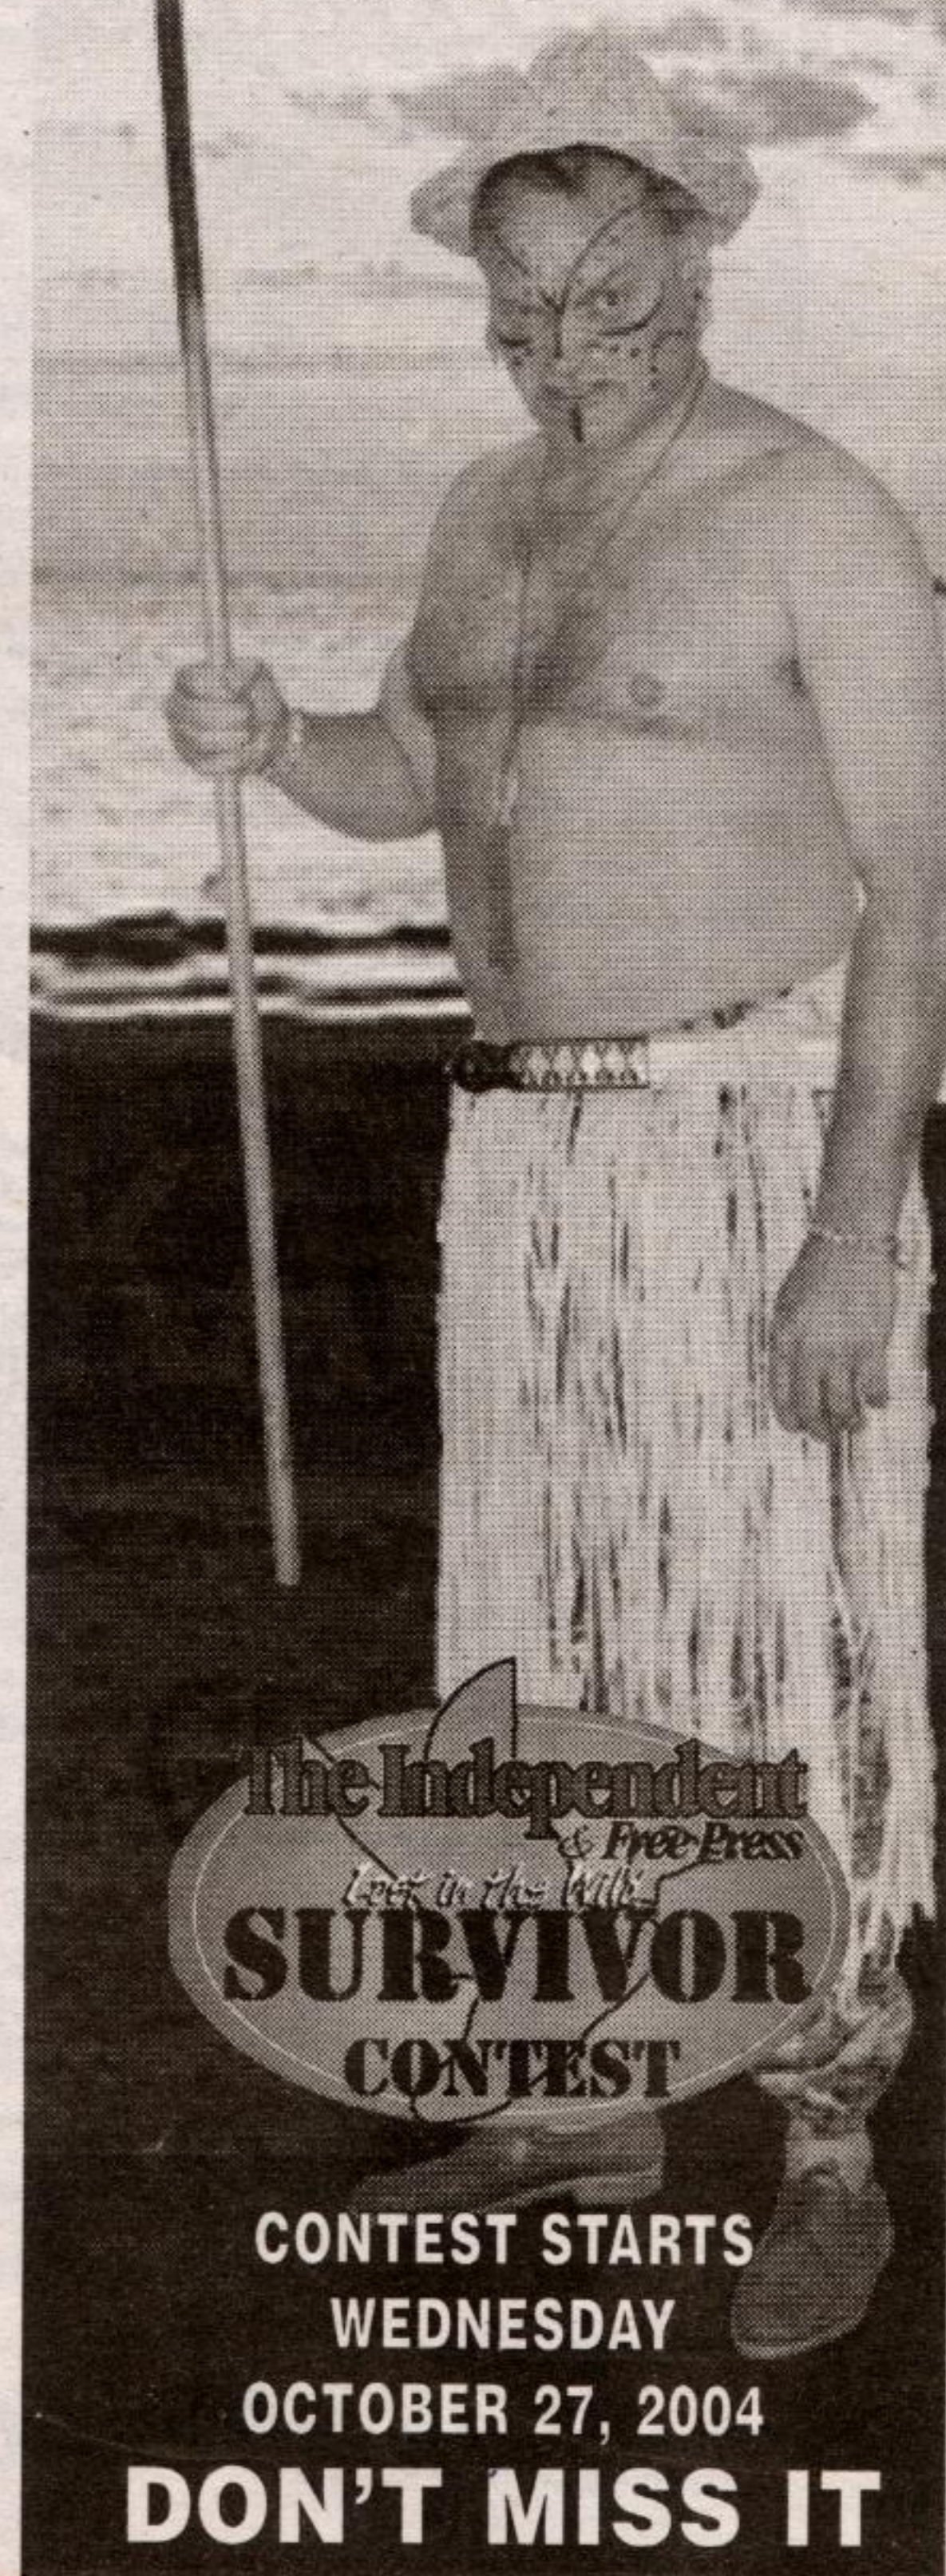

Ms. Jackie Bowles
