## 5 simple steps to finding the perfect 30-minute workout

- \*Check the club's success record. Over 3 million women who thought they could never get fit have discovered they can at Curves. No other club can say that.
- \*Make sure there's friendly staff to help when you need it. The staff at Curves is dedicated to helping you stick to your plan and reach your goals.
- \*Are the machines designed just for you? Curves' entire circuit was created for women. It fits your body and is easy to use. Plus, the machines automatically adjust to your workout level.
- \*Will you be able to find a place to work out when you travel? Curves has over 8,000 centres worldwide.
- \*Make sure it's fun and fast. Our members tell us that they started coming to Curves because they 'should' but they keep coming because they want to.
