Heart and Stroke Foundation issues Adventure Challenge to corporate teams

The North Peel/Halton Hills chapter of the Heart and Stroke Foundation is looking for businesses to go on an Adventure Challenge, Nov. 10, 11 a.m. to 6 p.m. at the Brampton Centre for Sports & Entertainment.

In this corporate team fund-raising event, participants kick off the event by climbing an inflatable mountain, before hopping into a canoe to paddle through an on-land

canoe relay. After that, they piece together a jumbo puzzle, which will require intense co-operation and teamwork, and then race to the final event on a pair of giant snowshoes fit for five people. The final challenge is to build a log cabin as a team. After each portion of the relay, the team will receive a piece of a totem pole. The winner of the Adventure Challenge is the first team to complete all five challenges

and construct the team totem pole.

Already six businesses have signed on: City of Brampton, Lipton Unilever, Re/Max, Coldwell Banker, PPI Modular Structures and the Ultimate Frisbee Team.

If any business is interested in being part of this fund-raiser, get a team of 10 together and contact the North Peel/Halton Hills Chapter of the Heart and Stroke Foundation, 905-451-0021.

QUESTIONS & ANSWERS

Q: Do I need a referral from my dentist?

A: No - simply call our office for an appointment. We serve you directly.

Q: Do denturists do lab work for dentists?

A: No - commercial dental labs do work for dentists - denturists have their own patients that they work on directly - so, if you didn't come to our office, we didn't make or fix your denture.

Q: If my denture breaks, what should I do?

A: Our office has a fully functional lab right on the premises. We do everything right here, so your denture can be repaired quickly, easily and affordably.

Q: How can I find out more about denturist's services:

A: Simply give our office a call, or drop by!

You do not need a referral; simply call our office direct.
