**94.5 Acres  
Between Fergus and  
Orangeville**

This beautiful parcel of land has two beautiful ponds, a custom built log home (brand new, never lived in) with an incredible, panoramic view of the large pond and the lush vegetation. The magnificent 'TRUE NORTH' log home is situated at the highest point of the property with views on all sides. There is a heated 36' x 56' heated 'HOULE' steel workshop to die for, complete with washroom and loads of storage and work space. The main log home has a walkout basement and just over 1800 square feet on the main level with an incredible open concept with a loft, 3 bedrooms, 3 bathrooms and all the modern amenities. A rare find for spectacular parcel of land and home.

**\$1,100,000**

**Caledon Custom Log Home On 10 Acres**

This incredible custom built log home is ideal for those wanting the tranquility of the country and an awesome log home on a manicured, picturesque 10 acres. The property is like a park with a pond, huge raised deck with hot tub and amazing log sauna, wrap around verandah, rock gardens, manicured lawns, child's playhouse, garden shed. This property is completely fenced with electric entry gates. The home is approximately 2500 square feet of main level space and a professionally finished basement is loads of added living space. An absolute gem and truly one of a kind.
