Businesses can still set up flu shot clinics

There's still time for local businesses to plan employee flu shot clinics, says VON Halton.

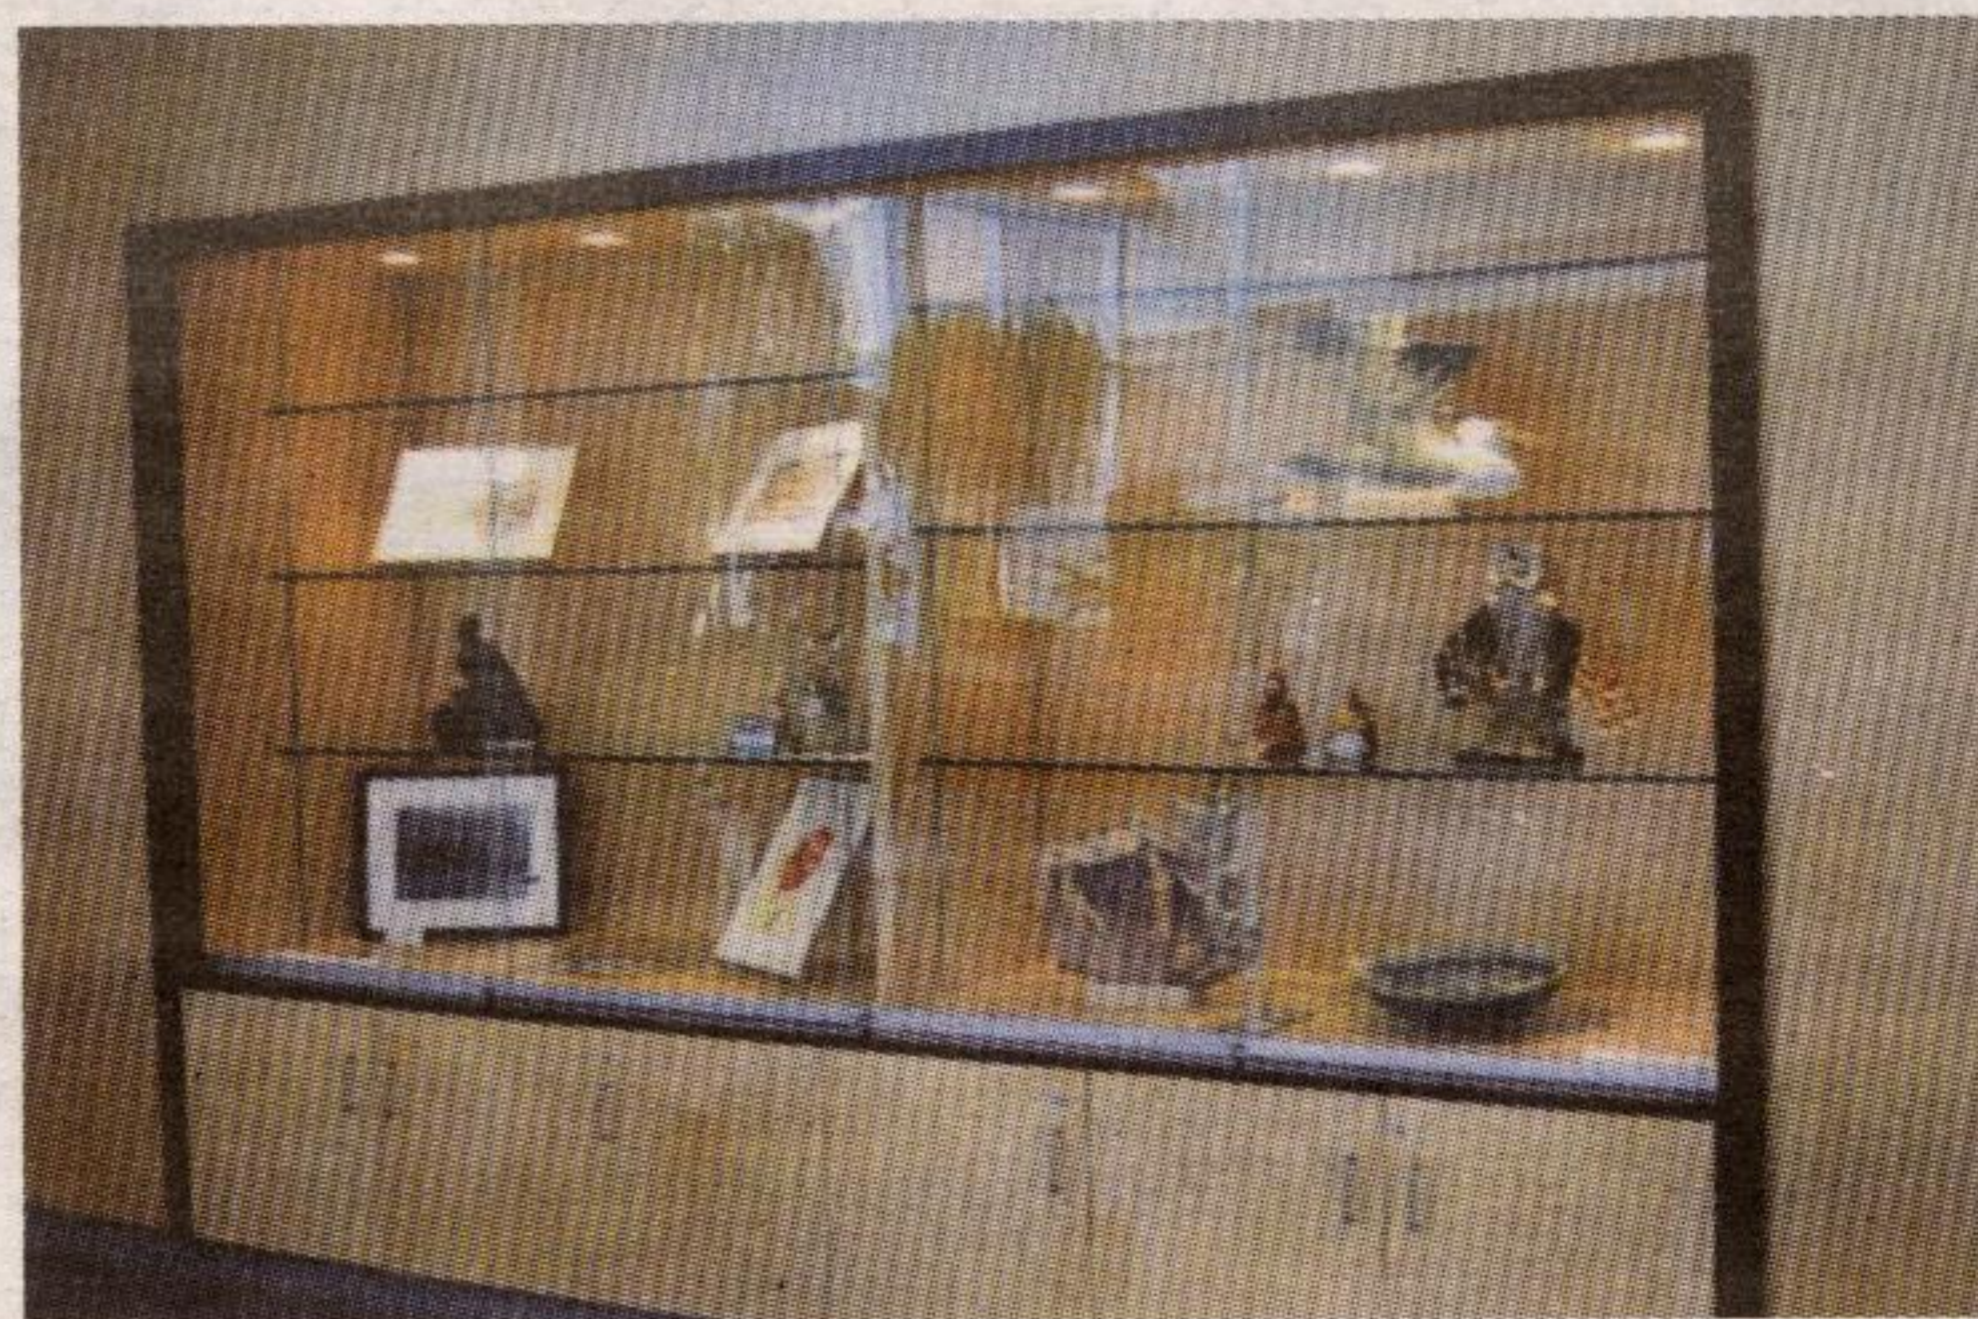

Immunization clinics can be scheduled through VON Halton at a cost of \$12 per person for groups of 70 or more, \$13 for 31 to 70 people and \$14 for less than 30 people. Funds generated through the clinics go

toward VON Halton's charitable programs.

"We're encouraged by the number of organizations taking a proactive approach in an effort to combat the flu before it strikes their office," said VON Halton Nursing and Health Services Manager Joanne Baxby.

To book a clinic, call 905-827-8800, ext. 2210 or visit www.vonhalton.ca.
