Before

After

Herbal Magic made me realize how to portion my food properly and how to eat healthier. In doing this program, I am doing it for myself. Something for me! Never give up on something you believe in. It was fast and it got easier after about the 4th week. The support from the staff at Georgetown Herbal Magic and my better half gave me the strength to go on. Their awesome support is what helped me achieve my goal. - PEGGY BROWN
