Creative Recycling Centre open to residents

Local residents who work with children and are looking for craft materials can now head to the Halton Resource Connection's Creative Recycling Centre.

The new program offers reasonably-priced creative materials like fabrics, tubes, wood and foam. These products have been donated by various community businesses and programs.

The Halton Resource Connection provides an opportunity for individuals who work with children, and the Halton community and its

neighbours, access to equipment and resources to enhance children's programs in the community.

It's located at 917 Nipissing Rd. in Milton and is open Tuesdays and Thursdays from noon to 8 p.m. and Saturday from 9 a.m. to 5 p.m.

For more information or to donate a product, contact Ruth Anne Wollaston at 905-875-4600 or visit www.thrc.ca or www.region.halton.on.ca.
