Local man hurt on 401

A 20-year-old Georgetown man was seriously injured when the 1986 Mazda he was driving eastbound on 401 west of Hwy. 6 left the road and rolled in the ditch early Tuesday.

The man, the lone occupant of the car, was found in the ditch and taken to Hamilton General Hospital with serious but non-life threatening injuries.

Cambridge OPP are still investigating the accident but say the man wasn't wearing his seat-belt and was ejected when the car rolled. Emergency personnel at the scene say the driver's injuries would have been significantly less, if any at all, had he stayed in his seat.

The OPP did not release the man's name.

Any witnesses are asked to call Cambridge OPP at 519-654-0150.

The Acton Santa Claus Parade, put on by the Acton Fire Fighters Association, is set to begin at 1 p.m. Saturday from McKenzie Smith-Bennett Middle School and will feature 25 floats.

The floats will be decorated in keeping with the theme of this year's parade— A Cartoon Christmas— and designers will vie for a variety of cash prizes.
