

Seniors get the star treatment

Margaret Kyle (left) spent some time being pampered at her home in Mountainview Residence last week as Grade 12 Christ the King cosmetology student Julie Botelho applied some makeup. Agnes McClure (right) also got the star treatment from student Caitlynn Pennacchietti. CtK students treated several residents to makeup applications and manicures.

Dear Catherine

Thank you for your efforts on behalf of Topper's Pizza. I have noticed a steady growth in my company since beginning coupon marketing with your Bonus Pak. Bonus Pak is a great way to advertise at a very affordable price. It's excellent to have the services of Metroland's support with the art department creating my coupon. Being an owner of a company is very TIME consuming and the Bonus Pak service saves me a lot of running around and getting coupons done.

Catherine your personable and professional efforts have shown us continued success for my Georgetown location!

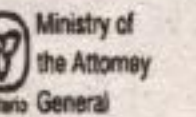

Thanks,

Mike
