PATERSON, Anne

In loving memory of a mother and grandmother who left us May 4, 2001.

Memories are echoes, heartbeats of the past Frozen in a photograph To cherish, love and last.

Memories can linger to live throughout the years We capture friends and family Their laughter and their tears.

Memories are cherished In your heart and in your mind, A lock of hair, a photograph, Are left here to remind.

Memories can bloom Full of life they thrive Over time we tell the tales So moments stay alive.

Still missed and loved but never forgotten

LOGAN, Mary - In loving memory of wife and mother who passed away May 3rd, 2003. As each day turns to night, I call your name as I turnout the light, You're not here to hear my call, Just your memory and a picture on the wall. Someday soon be when it may, We'll be together again someday, But till then as each day turns to night, I'll call your name and turnout the light. Two years have gone the memory lingers on. Husband, Henry and son David Paul Kevin

CREWE-READ, Art In Loving memory of our Dad, Our Grandpa and Our Best Friend who passed away May 8th, 2004

A year has now gone by since you suddenly had to leave. The pain is all still there, and it's so very hard to believe. The kids miss their Grandpa, each and every day. The man who gave them love, and always had time to play. We all miss your friendship, your gently and warm embrace. We miss your sense of humour, and that smile on your face. But now we must go on, through all the pain and sorrow. Your love will give us the strength, to look towards tomorrow. We will always remember, although it make us cry, to know that we knew true happiness, before you said good-bye.

Sadly missed and forever loved. Dave, Diane, Paul, Dorothy, Ryan, Dylan and Jenna

BURROWS, Michael - In loving memory of a dear brother who was killed on May 6th, 2003.

Time speeds on, 2 years have passed

His Message:

Come to My Heavenly garden And see in perfect bloom The flower you loved so dearly And thought that I plucked too soon. Then you will know My reason, Though you know not it today, Why in his promising manhood I took your brother away.

Lovingly remembered, Leigh, Chris and Jamie

BURROWS, Michael - In loving memory of a dear son who was killed on May 6th, 2003.

Don't mourn for me; I'm still here, though you don't see. I'm right by your side each night and day and within your heart I long to stay.

My body is gone but I'm always near I'm everything you feel, see or hear. My spirit is free, but I'll never depart as long as you keep me alive in your heart.

I'll never wander out of your sight, I'm the brightest star on a summer night. I'll never be beyond your reach, I'm the warm moist sand when you're at the beach.

I'm the colourful leaves when fall comes around and the pure white snow that blankets the ground. I'm the beautiful flowers of which you're so fond. The clear cool water in a quiet pond.

I'm the first bright blossoms you'll see in the spring; The first warm raindrop that April will bring. I'm the first ray of light when the sun starts to shine, and you'll see that the face in the moon is mine.

When you start thinking there's no one to love you, you can talk to me through the Lord above you. I'll whisper my answer through the leaves on the trees, and you'll feel my presence in the soft summer breeze.

I'm the hot salty tears that flow when you weep and the beautiful dreams that come while you sleep. I'm the smile you see on a baby's face. Just look for me, I'm everywhere!

Lovingly remembered Mom and Dad
