

# 6th Annual Police Day

**You're Invited!**

**MAY 14, 2005 10:00am to 2:00pm,**

## Crime Prevention Partnerships Safer Communities

The Halton Regional Police Service welcomes you to our 6th Annual Police Day. This is a one of a kind festival for the entire community to enjoy in celebration of policing in Halton.

**10:00 a.m. Opening Ceremonies.** Come join Chief Ean Algar and members of the Halton Regional Police Service as they kick off Police Week and the day's activities.

**10:30 a.m. & 12:45 p.m. Emergency Services Demonstration.** Get an inside look at how these men and women perform a high risk arrest, do acrobatic rescues and destroy strange packages using the robot. This dynamic demonstration promises to be a heart pounding show of precision teamwork.

**11:00 a.m. Bicycle Unit.** Summer is approaching and our bicycle team is gearing up for the season. Come and watch some of our police officers as they go through the qualifying process to see if they have what it takes to be on this year's elite bicycle team.

**11:00 a.m. Country Sensation Alysha Brook.** Alysha Brooke's debut album *Nuthin' but a Chevy* was released on November 26, 2004 to a welcoming crowd in Campbellville, Ontario. Soon after, Alysha's *Nuthin' but a Chevy* reached #18 in the Best of Country charts on 78 U.S. stations and is now gaining airplay in Australia.

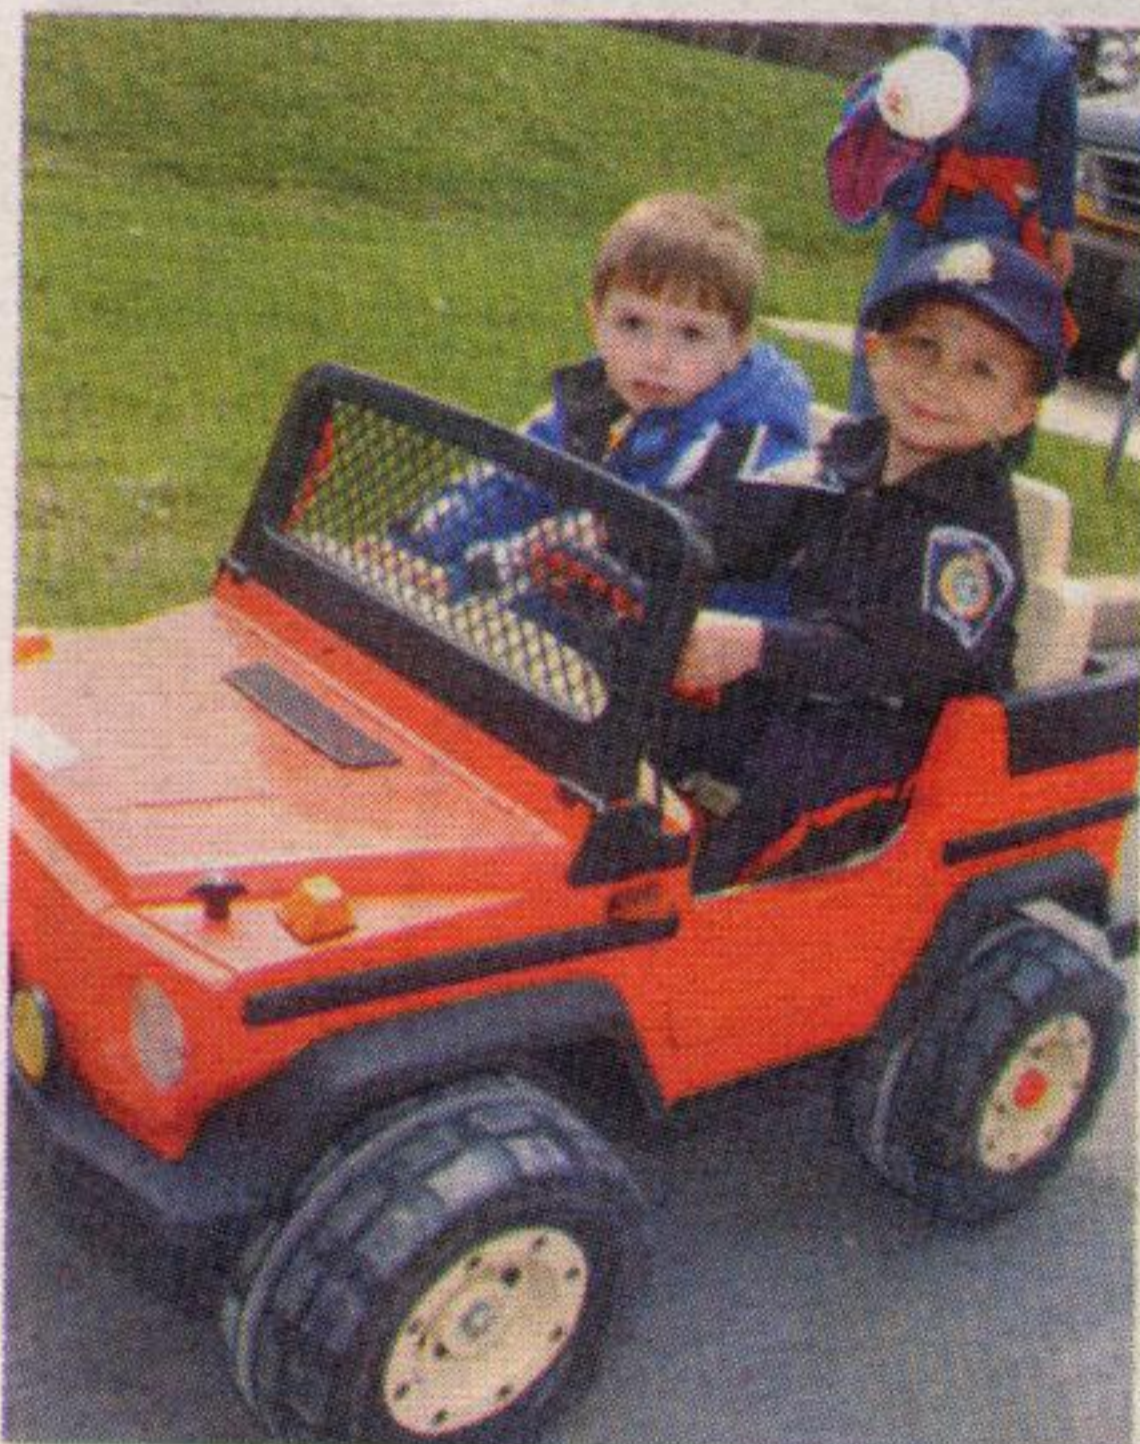

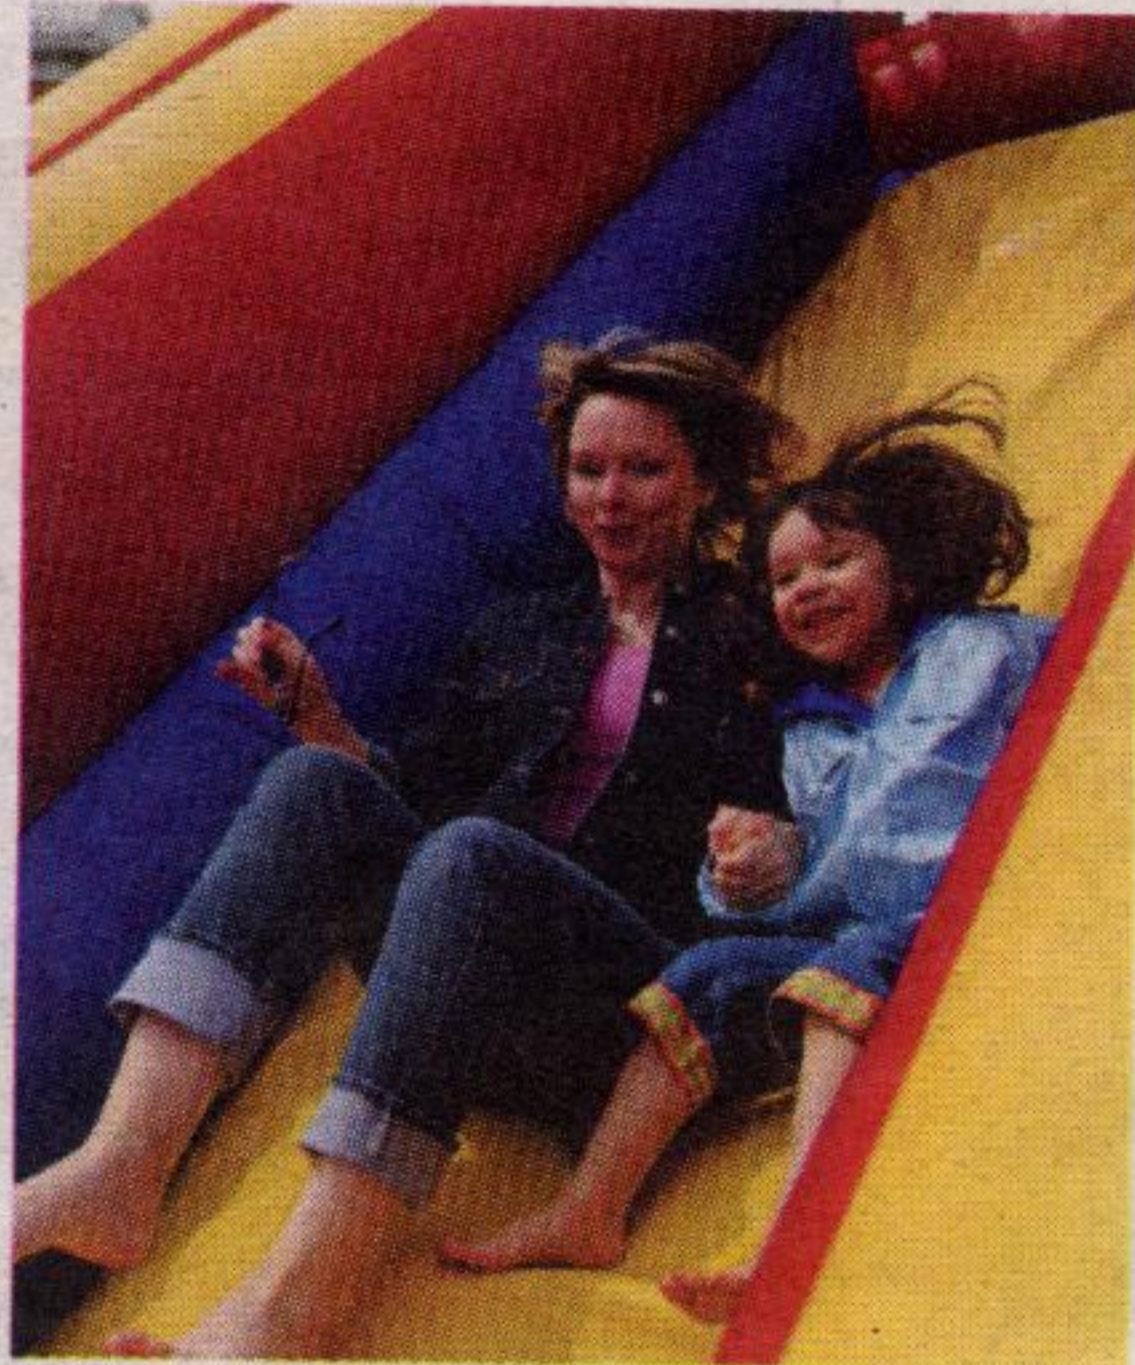

**11:45 a.m. Halton Regional Police Pipes & Drums.** You may have once thought that all pipe and drum bands were the same, but we invite you to hear the Halton difference. Our members play with great talent and even greater heart. Come and listen to Irish, Scottish and Traditional pipe music.

**1:25 p.m. Real Life C.S.I.** – You have seen it on the popular T.V. show, but are they showing how it is really done? Come see your local C.S.I. team from the Identification Unit explain how investigations are done in the real world. This is your opportunity to ask our experts your questions.

**1:25 p.m. Precision Motorcycle Riding.** Operating a fully equipped police motorcycle is no easy task. Come watch some of our experienced riders manoeuvre their motorcycles through three difficult obstacle courses. While watching remember that these machines weigh close to 900 pounds and one small mistake could mean a big problem for the rider.

Your Police Service opens the doors for you to see what is required to police Halton Region. This year's Police Week theme across the province is "Building Safer Communities". We believe that our strength as a world class police service is enhanced by the development of community partnerships that meet the needs of our ever-changing and growing communities.
