## Words of wisdom

Local Realtor Kathleen Walsh and Ray Bull were among the professionals who talked to students at Stewarttown Middle School about staying in school as part of the school's Junior Achievement program.

TOWN OF  
**HALTON HILLS**  
*Working Together Working for You!*

### REQUEST FOR PUBLIC COMMENT

Georgetown South Community Node  
- Master Plan & Urban Design Guidelines

Work is nearing completion on the Georgetown South Community Node Master Plan & Urban Design Guidelines (MP & UDG) Document and we would like your input.

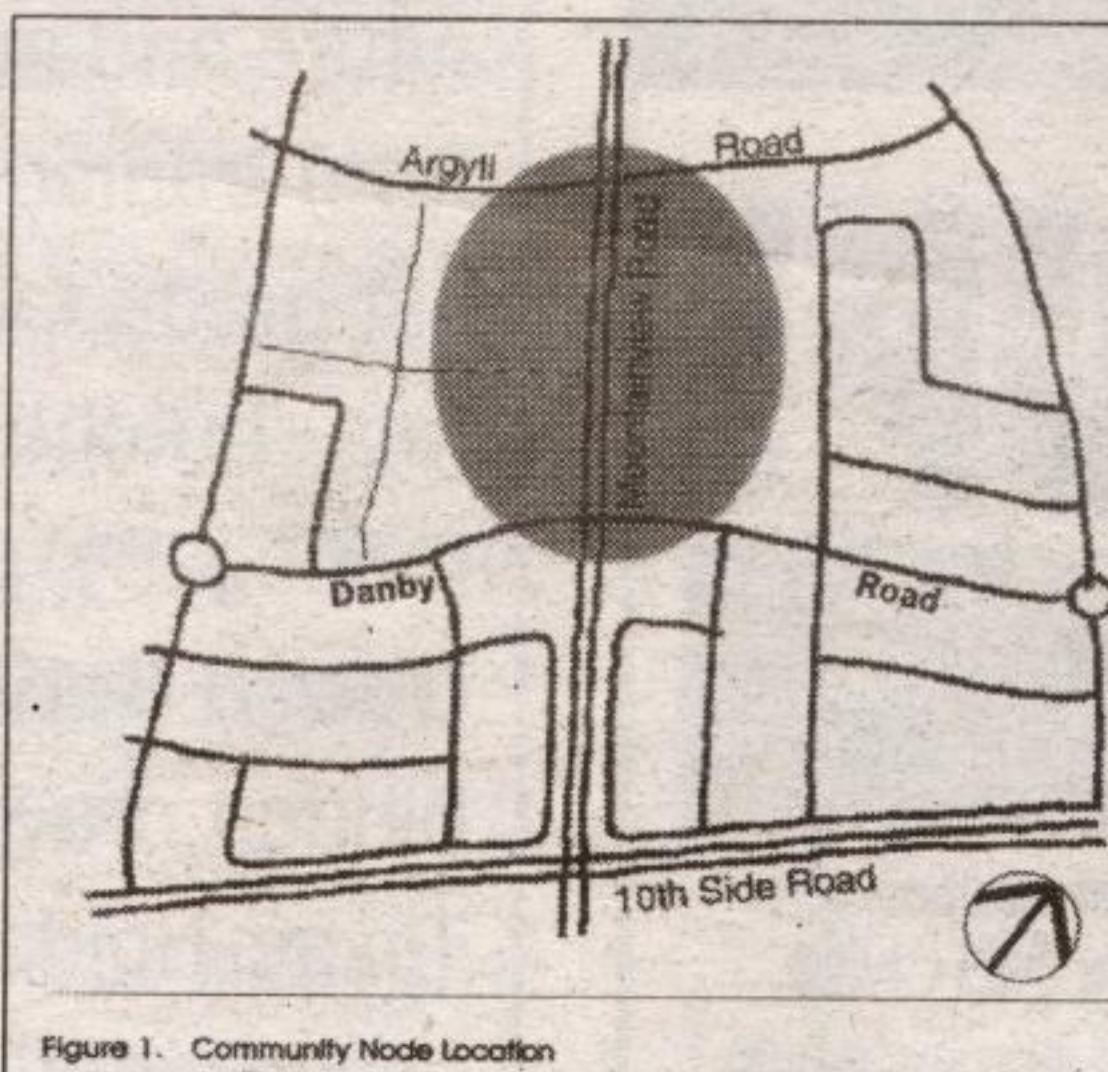

Figure 1. Community Node Location

The Town of Halton Hills Official Plan designates these lands as "Community Node", which is intended to provide an activity node for the Georgetown South Community, accommodating a mix of uses in a street oriented, pedestrian-friendly manner.

However prior to any development taking place within the Community Node, a comprehensive Master Plan/Urban Design Guidelines Document must be prepared and adopted by Town of Halton Hills Council.

The MP & UDG Document has been prepared to establish direction regarding detailed land use and the physical character and form of development in the Georgetown South Community Node.

Town Planning Staff and the Community Node Landowners have prepared the MP & UDG Document and are now seeking Public comment and input prior to Council adoption.

Interested persons may view the MP & UDG Document on-line at the Town of Halton Hills website [www.haltonhills.ca](http://www.haltonhills.ca), or by visiting the Planning Department at the Civic Centre.

Comments will be received by **Friday June 3, 2005**. Staff's Recommendation Report will be presented to Council at their meeting on **Monday June 13, 2005**, where Council will make the final decision.

For further information please contact Mark H. Kluge, Senior Planner - Development Review at 905-873-2601, ext. 2299 or at [mark@haltonhills.ca](mailto:mark@haltonhills.ca).

Thank you for your interest in the Town of Halton Hills

### WEED CONTROL ACT

NOTICE TO RESIDENTS AND PROPERTY OWNERS REGARDING NOXIOUS WEEDS

The purpose of the *Weed Control Act* R.S.O. 1990 is to reduce the impact of noxious weeds on the industries of agriculture and horticulture. This act applies to agricultural and horticultural lands that generate income or other benefits to agriculture. *This excludes lawns, gardens and private areas for personal enjoyment and leisure.*

**NOTICE IS HEREBY GIVEN** that unless noxious weeds are destroyed by **June 6, 2005** and as often as is necessary throughout the season to prevent the ripening of their seeds and the dispersal of their pollens, the Town of Halton Hills may enter onto private property and destroy these weeds. The costs will be charged against the property owner and collected in the manner of municipal taxes.

**IN URBAN AREAS** the *Weed Control Act* does **not** apply to noxious weeds or weed seeds that are far enough away from any land used for agricultural or horticultural purposes, as they do not interfere with that use.

The following are designated as noxious weed in the Town of Halton Hills.

Barberry, common	Ragweed
Buckthorn, European	Rocket, yellow
Carrot, wild	Sow-thistle, annual,
Colt's-foot	perennial
Dodder	Spurge, Cypress
Goat's-beard	Spurge, leafy
Hemlock, poison	Thistle, bull
Johnson grass	Thistle, Canada
Knapweed	Thistle, nodding
Milkweed	Thistle, Russian
Poison-ivy	Thistle, Scotch
Proso millet,	Vetchling, ruberous
black-seeded	

Complaints regarding dandelion and golden rod will not be accepted, as these are not considered noxious weeds, pursuant to the *Weed Control Act*.

Anonymous complaints will not be accepted. Complaints should be directed to:
