

It's a dirty job, but...

Alex Aldred, 20, an employee with Student Works Painting, scraps away old paint in preparation of painting the windows of St. George's Church in Georgetown. The painting company, owned by Peter Gorski, recently donated its time and effort to repainting the church's windows.

**This Saturday, May 21st
10 a.m. - 2 p.m.**

We support this great community we live in and will donate \$25 to the Canadian Immunodeficiency Society for every vehicle we sell or lease on Saturday.

Check out all the great Ford cars and trucks and the incredible purchase and lease deals that are available.

Did you know that you can get a brand new well equipped 2005 Focus for less than what a used vehicle would cost?

You could be driving a Brand New Focus for as little as

\$299/month plus taxes with no money down.

We have 8 available at this incredible price.

If you want a mini van you have to look at the 2005 Freestar.

We have 6 to choose from at only **\$19,988** plus freight and taxes!

This is about the same price as the Caravan but the Freestar gives you more safety features, more horsepower, ABS brakes and it's a full length vehicle.

Thanks again for your patronage.
