

Agencies need volunteers now

Distress Centre North Halton is now accepting applications for new volunteers—caring individuals who want to feel connected to other people in the community. The extensive training program will help volunteers help those who are distressed, lonely or thinking of suicide. Info: 905-877-0655.

The VON is seeking a volunteer, support group co-facilitator, in Georgetown, one evening, per month

to assist with a support group. Experience is preferred but not essential. Please call Renita at 1-800-387-7127.

Literacy North Halton urgently needs volunteer tutors for its upcoming training program. Do you have a few hours to spare and would like to volunteer your time helping others upgrade their literacy skills? Call 905-873-2200 for further information.
