Georgetown Choral Society plans season of song...

Members of the Georgetown Choral Society will be busy this season preparing for its upcoming 2005-2006 season.

An amazing series of concerts is planned beginning with an "encore" performance of *A Tribute in Song - V.E. Day 60 Years Later* which was performed last spring at two sold-out concerts commemorating the 60th Anniversary of VE (Victory in Europe) Day.

The choir will be performing the concert once again as a benefit concert on for Dutch/Canadian Remembrance Committee in honor of Remembrance Day and will be held on Saturday, Nov. 12 at 7:30 p.m. at the Georgetown Christian Reform Church. Tickets will be \$15 for this benefit and will be available starting Sept. 16th from the locations listed below or from any member of the choir.

Georgetown Choral Society (GCS) will again participate at the Remembrance Service at Holy Cross Church on Nov. 6, in combination with the Georgetown Children's Chorus.

This Christmas let GCS take you on a musical journey with its concert, *A World of Christmas*. This is a wonderful compilation of songs representing the music and traditions of many different cultures at Christmas.

For the second half of the concert the choir will premiere a new work composed by its director, A. Dale Wood, entitled *Noel, Noel*. It is a warm and heartfelt piece that puts the Christmas story to music. It is composed for full choir with alto and tenor solos, as well as piano accompaniment by

...and it needs members too

Do you sing along with your car radio and long to have your singing talents discovered? Do you happen to be free on Monday evenings? Why not join your community choral group, the Georgetown Choral Society (GCS) for its 2005-2006 season.

GCS is calling out for new members. All you have to do is come for "open rehearsals" dates being held on Sept. 5 and Sept. 12, 7:30 p.m. at Knox Presbyterian Church, Main St., Georgetown.

Rehearsals are held every Monday evening at Knox from 7:30 p.m. to 9:30 p.m. Those who would like to join will be asked to do a "painless" audition to determine voice range and quality. Male voices especially welcome.
