Fall compost giveaway starts Monday

Halton Region's popular fall compost giveaway kicks off on Monday (Sept. 12) and continues until Saturday (Sept. 17), 8 a.m. to 4:30 p.m., at the Halton Waste Management Site, 5400 Regional Road 25 in Milton.

The compost is from residential yard waste picked up from curbsides that has been recycled into rich, garden-friendly compost. Twice a year, Halton residents are invited to collect the finished product for use in their gardens.

"Compost is a natural and renewable resource that can be used as a valuable soil conditioner throughout the winter," said Halton Regional Chairman Joyce Savoline. "This annual giveaway allows residents to benefit from the material created from their own leaves and yard waste collected over

the summer."

Residents are encouraged to bring along a donation of a non-perishable food item for local food banks.

In the spring giveaway, residents donated a record 8,300 kilograms of food and \$9,300 to local food banks, while picking up compost to help their gardens grow. Cash donations to local food banks will also be accepted in lieu of food donations for those who choose to donate.

Residents must bring their own bags or containers (maximum seven per household) and a shovel in order to bag their own compost.

This is the 11th year of Halton's compost give away program; more than 2,000 tonnes of finished compost will be available to residents during the fall giveaway.

Child Abuse Breaks Hearts

Child abuse is a far-reaching problem that affects children of all ages, socioeconomic levels and ethnicities. It is every adult's responsibility to help stop child abuse by reporting suspected abuse or neglect. If you believe a child has been harmed, or is in danger of being harmed, call your local department of children and family services or your local police department. If you are a parent, do your best to provide a nurturing, loving home environment for your child. If you need help doing this, there are resources to help you - look online or in the phone book, or ask for assistance through your church or your child's school. If we all do our part to prevent child abuse, we'll get to the heart of the matter.
