CVC seeks nominations for 'Friend(ly)' award

TOTAL phic married Haff

Tredit Valley Conservation (CVC) wants nominations for its annual 2005 Friends of the Credit Awards.

The deadline to file nominations is Sept. 15. Nomination forms are available from the CVC website at www.creditvalleycons.com/success/cvca wards.html or by contacting Dave Beaton, Stewardship Specialist at the CVC at 905-670-1615 or 1-800-668-5557 ext.

The CVC presents awards to individuals, landowners, community groups, small

businesses and corporations, or municipalities and agencies that have taken action to protect and enhance the natural environment in the Credit River watershed.

The awards will be presented on behalf of the Credit Valley Conservation (CVC) board of directors and recognize first-time projects, or those that have extended over multiple years, and could include: restoration projects, events, publications, educational programs, donations of conservation lands or easements, environmental policies

or plans, or advocacy for natural heritage protection.

In order to be considered for an award, the projects must: involve a long-term benefit; contribute to an environmentally healthy river; try to represent co-operation with other agencies and groups.

The Award of Distinction is presented to those outstanding individuals or groups whose projects and or activities reflect a significant contribution to the conservation of the watershed.

The Certificate of Merit recognizes nominations that are consistent with the overall purpose of the conservation awards program, i.e. to improve the health of the

The Young Conservationist Award, is open to individuals or groups under the age of 25, in addition to the CVC Award of Distinction and the Certificate of Merit.

The nominees are selected by a subcommittee of the CVC board of directors.

The 2004 Winners of the Award of Distinction were:

 Save Our Ravines (Georgetown), for negotiating a reduction and removal of proposed housing from an extremely sensitive area of the Silver Creek Valley in Georgetown,

 Jocelyn Webber (Mississauga), for exercising environmental leadership in permanently protecting the Creditview Bog in Mississauga

• LGL Limited - Environmental Research Associates (Burlington), for going above and beyond expectations in establishing standards of data collection, analysis, minimization of impacts, mitigation and compensation.
